in love with, with a strong, intelligent heroine and an irresistibly sexy, arrogant yet compassionate and warm hero. The plot is highly interesting and keeps you guessing how they'll find a way to save the dark highlander's soul. And best of all, by the time you finish this book YOU WON'T BE LEFT WANTING A LINE OF IT REWRITTEN !!! I've rarely read a book that was so perfect that I didn't want it to ever finish it, and actually kept on reading slower towards the end. 4 von 5 Kunden fanden die folgende Rezension hilfreich. Easy To Read Erotic Fantasies Von monice Chloe meets rich Dageus. She takes him for a spoilt, rich, easy-going womanizer. So she tries to resist falling in love with him. She fails, of course, and discovers a curse about the man. Strange events lead to the thrilling conclusion that the man is possessed by 13 evil, ancient druids. She decides to help get rid of them. In the process, she loses her virginity to Dageus, who is an expert lover... Chloe is trembling from lust and lore as the story unfolds. The story reeks of "sex with the dark highlander", but it's definitely more than just that. The book keeps the reader reading, it's well written and for a short erotic fantasy it's ok. For comparison: "Garden In The Rain" is the same genre but not as well written as this one. The book may well be recommended for an easy reading. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dageus MacKeltar Von Kunde Der Traum jeder Frau, der Albtraum aller Manner.
