Von Josh Lanyon : The Dark Horse (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dark Horse (English Edition):

Good novella with a kickVon SunneThis is the first book, the second one would be "The White Knight".I liked both books very much.Sean, the actor, and Dan, the cop are a couple. Originally Dan had been Sean's bodyguard while a madman

had tried to kill him. Now we get to know them after this, the madman is dead but Sean still sees him, gets postcards and feel like he is goingcrazy. Now there is the problem, Sean has mental problems so he is constantly struggling to not loose his mind. He believes it's not his imagination, the cards at least are real.Dan tries to reassure Sean, he does what he can but even he doesn't know Sean good enough already to know that he is afraid of his mental stability.So....there was s good built up for the conflict, the tension and the thriller element. I liked it.

KurzbeschreibungLove is a dark horseand Sean Fairchild is in for the ride of his life.Paul Hammond is dead. Thats what tough and sexy LAPD Detective Daniel Moran tells his lover, Hollywood actor Sean Fairchildand Sean wants to believe him, but what about those threatening postcards in Hammonds handwriting? What about the fact that hes seeing Hammond everywhere he goes? Yes, Seans had some emotional problems in the past, but that was a long time ago and hes not imagining things, so why is Dan looking at him that way?The last thing Sean needs is someone doubting him, especially when hes competing for the coveted leading role in the screen adaptation of The Charioteer. But then again, as ex-lover and manager Steve points out, what does Sean really know about his new boyfriend?Dan is a dark horseand maybe Sean is betting too much on this relationship. It's not just Seans career at stake, or his relationship, or even his sanity-its his life.(This 36K+ novella was previously published by Loose Id Publishing)KurzbeschreibungLove is a dark horseand Sean Fairchild is in for the ride of his life.Paul Hammond is dead.
