Von Keri Arthur : The Darkest Kiss (Riley Jensen, Guardian, Book 6): A Riley Jenson Guardian Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised The Darkest Kiss (Riley Jensen, Guardian, Book 6): A Riley Jenson Guardian Novel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. the darkest kissVon FairytaleIch mag alle Bücher dieser Serie. Die Protagonistin ist ein toller Charakter flüssig und interessant lesbar. Zählt zu den Top 50 Büchern.1 von 1 Kunden fanden die folgende Rezension hilfreich. Sixth in Riley Jenson, Guardian, seriesVon Helen HancoxRiley Jenson is an unusual character. She's part-wolf, part-vampire, working (initially against her will but perhaps not so now) as a Guardian, an enforcer for law in the supernatural world. She lives with her twin brother Rhoan and is still trying to come to terms with the fact her lover Kellen walked away from her some months before.It probably helps to have read the previous books in this series, "Full Moon Rising", "Kissing Sin", "Tempting Evil", "Dangerous Games" and "Embraced by Darkness" as the backstory isn't always completely explained. This story sees the welcome return of Quinn, the Old Vampire who couldn't cope with Riley sharing her attentions with other men (and I don't blame him). Riley seems to be settling down, however, so that when Quinn walks back into her life there's possible some kind of a future for them.The romance part of this book, however, is downplayed compared to the plot as Riley tries to uncover a serial killer with some strange powers. When various women get shredded by a strange animal claw, high-society men are left dead in public places and then more people start to die with a rather different footprint, it seems that Riley has her work cut out for her. Might the killer or killers strike closer to home? Are they in fact some monsters she's never previously heard of?Riley's a great character with her forthright but loyal nature. The interactions with her boss's PA, Salliane, are fun as usual although with a rather different tone than the previous books. Her relationship with Quinn was nicely written and not overdone. This was an enjoyable episode in this series although the world of things-that-go-bump-in-the-night seems to be increasing rather rapidly and that sometimes feels, to this reader at least, rather lazy plotting. This book will appeal to those who have read the previous books and I did enjoy it, particularly the Australian rather than American/British/Irish setting.Originally published for Curled Up With A Good Book Helen Hancox 20081 von 1 Kunden fanden die folgende Rezension hilfreich. SuchtfaktorVon BücherwurmAbsolutes Muss! Sehr gut geschrieben, absolut spannend mit schwarzem Humor - unverzichtbar in meinem Bücherregal.Zur Story: Riley ist halb Vampir, halb Werwolf die zu Beginn des Buches mit ihrer neuer Fähigkeit zu fliegen ein paar Schwierigkeiten hat - tja hat sich herausgestellt dass sie sich in eine Taube (! "gg") verwandeln kann. Sie lernt schnell: sich zu verwandeln können heißt nicht automatisch auch fliegen zu können. ;)Im Beruf hat sie alle Hände voll zu tun um einen Serienkiller zu schnappen der mit jedem Tod stärker wird und zu allem bei steht last but not least Liander - der Geliebte ihres Bruders Rhoan - auf der Liste.Spannend bis zum Schluss mit jede Menge Turbulenzen - beruflich u privat.Freue mich schon auf die Fortsetzung.

KurzbeschreibungBONUS: This edition contains excerpts from Keri Arthur's *Destiny Kills* and *Deadly Desire*.Danger turns her on.Desire turns her dangerous...Riley Jenson hunts evildoersand does it with a style all her own. With vamp blood coursing her through her veins, and a werewolves uncanny instinct for danger, Riley wears snakeskin stilettos and pure, in-your-face attitude when she plunges into her latest case: hunting down a killer whose victims are high-society strumpetsand the rich and powerful men they've dated.But for Riley, the case takes a chilling turn when a second killer starts trailing mutilated bodies of his own: a crazed young vamp choosing victims from a past marked by tragedy. Riley knows she's got the skill and cunning to catch two serial killers at onceuntil one of them strikes inside her own tight-knit clanand a sexy beast of a vampire reenters her life to aid in the hunt. His name is Quinn. He's lived forever, shed blood, and shared pleasureand he's the only man over whom Riley has absolutely no control.From Publishers WeeklyVampire hunter Riley Jenson (*Embraced by Darkness*) returns to take on two serial killers: one kills high society women and the men in their lives; the other is kills seemingly unrelated people, gruesomely. Riley has her own problems: she can't sense the spirits of the dead at the murder scenes, and she's nursing a broken heart. The more investigating Riley does, the more she realizes that her brother's lover may be in danger, and the reappearance of Quinn O'Connor, a vampire that she loved and lost, complicates matters further. The paranormal Australia that Arthur concocts works perfectly, and the plot speeds along at a breakneck pace. Riley fans won't be disappointed.
