entschieden, weil er für mich die größten Versprechen bereithielt - Dämonen, Dämonenjäger und Frauen, die gerade erst entdecken, über welche Kräfte sie verfügen. Aber die erste Enttäuschung folgte schon auf der ersten Seite: die Protagonisten kennen sich schon und sind sich im Vorgängerband das erste Mal begegnet. Das erste Aneinander - antasten wird leider auch nicht in Erzählungen wiederholt, sodass man hier total in die Geschichte rein geworfen wird und im Endeffekt diese nur von neuen Protas erzählt wird. Weiters wird ein Großteil des Buches dafür verwendet, den Grundstein für den nächsten Band zu legen, in dem es um Angie's Schwester Izzy und Dalton, einen Dämonenjäger mit Geheimnissen, gehen wird. "The Darkest Touch" war durchaus flüssig und spannend zu lesen, aber das Gewisse Etwas fehlte für mich leider. Das eine oder andere Mal sorgen lange, für mich berflüssige Passagen dafür, dass die Spannung raus genommen wird - hier hätte ich mir mehr Taten gewünscht. Die Auseinandersetzungen zwischen Gut und Böse sind schon fast zu unblutig und wenig spektakulär, der von "inneren Dämonen" geplagte Held wirkt nicht hart und "gequält" genug, Angie scheint sich wunderbar in dieser ihrer neuen Welt zurecht zu finden, denn verwirrt oder unsicher ist sie selten. Für mich ein absolutes Durchschnittsbuch - nett zu lesen, aber mit den super Bchern, die ich in letzter Zeit hatte, nicht zu vergleichen. Ich werde mir die Reihe aber sicherlich im Hinterkopf behalten, wenn sonst mal grad keine anderen Bücher zur Verfügung stehen. Third in series Von Helen Hancox Jaci Burton's demon hunter series is very enjoyable with each book written in such a way that it can be read on its own without knowledge of the previous ones. 'The Darkest Touch', which follows on from 'Surviving Demon Island' and 'Hunting the Demon', follows twin sisters Angelique and Isabelle as they find themselves immersed in a whole new world, that of demons and the fight against them. Angelique and Isabelle first appeared in 'Hunting the Demon', they are archaeologists and the initial meeting between Angelique and the male love interest of this book, Ryder, took place in that book. However in this book we follow Ryder as he searches for the missing Angelique who has stolen the Black Diamond, a special artefact that the demons want. When Ryder finds Angelique he discovers the demons have also found her - can he keep her safe and, more importantly, can she come to terms with some insights into her history and with the possible evil nature of her twin. Alongside the primary romance we also have a romance between Isabelle and another of the demon hunters which isn't resolved in this book ' it's presumably the focus of a future story. Jaci Burton's writing style is good with her pacing well measured and a certain amount of characterisation. This British reviewer found the dialogue between the lovers rather too sappy to stomach but overall it was an interesting story with plenty of action. Kurzbeschreibung Ryder. The man was just as sexy as she remembered him: tall, lean, and dangerous, a demon hunter with the body of a god. But archaeologist Angelique Deveraux has little time for lust. She's been hiding a gleaming black diamond, a prize everyone wants including Ryder and now she's running for her life. Hot on her trail is Ryder, a legendary demon hunter she desires but can't quite trust, a man with an insatiable need for danger and a few dark secrets of his own. With Ryder offering protection and more suddenly a woman who's never trusted anyone is falling for a man who isn't afraid of anything except losing his heart. Now, as an all-out demon war erupts and Angelique's family secrets unravel, Ryder's demon hunt and Angelique's quest to save her sister are about to collide. And when they do, it'll send these two wary hearts on the wildest adventure of their lives and maybe even save humankind in the process. From the Paperback edition. Kurzbeschreibung Ryder.
