 Von S. Fischer
 Millenia ago, the Greek gods created immortal warriors as their guardians. But when they gave a box containing demons who escaped hell to the female warrior Pandora to guard, the other warriors became angry. To show that Pandora wasn't good enough for the job, they stole the box and opened it, thereby freeing the demons. In the following chaos, the box was lost and the demons were out of control, so the gods decided to punish the warriors by forcing them to carry the demons (death, disease, wrath, etc.) inside them. Then they were banished to earth, where they were soon despised and ruthlessly hunted by the Hunters, a group of humans secretly led by another demon. The Lords of the Underworld tells the stories of these immortal warriors. The Hunters have been catching non-human women and kept them in hidden laboratories to rape and impregnate them. Their paranormally gifted children were then taken away from them to create superior Hunters. The harpy Gwen has been kept prisoner in such a lab, but was too dangerous to be used as the other women were. When she's finally freed by a group of Lords, she feels deeply attracted to Sabin, the keeper of the demon Doubt. The attraction is mutual. But after a tough childhood and her imprisonment, Gwen is so timid and insecure that Sabin fears that his demon will do irreparable damage to her. Can he help her overcome her fears and become a self-reliant and strong woman?
 This novel was real fun and I liked the characters a lot. Both had depths and good reasons for their actions. It was an emotionally satisfying novel that also didn't lack a sense of humour. So far the best in the series.
 Lords of the Underworld: the series so far
 1. The Darkest Fire (2008), in Into the dark and in Dark beginnings (anthologies)
 2. The Darkest Night (2008)
 3. The Darkest Kiss (2008)
 4. The Darkest Pleasure (2008)
 5. The darkest prison, in Into the dark and in Dark beginnings (anthologies)
 6. The Darkest Whisper (2009)
 7. The darkest angel, in Heart of darkness and in Dark beginnings (anthologies)
 8. The Darkest Passion (2010)
 9. The Darkest Lie (2010)
 10. The Darkest Secret (2011)
 11. The Darkest Surrender (2011)
 0 von 0 Kunden fanden die folgende Rezension hilfreich. A harpy doubts fought by doubt itself
 Von Magritte
 This is the fourth book of the Lords of the underworld series. The gods created the immortals to protect humankind as well as themselves and chose one of them, Pandora, to protect a box in which all demons haunting the world were being kept. The other immortals however were jealous, believing they should have been chosen and opened the box trying to prove that Pandora was not worth the gods' trust. The gods punished them, making each of them the vessel of one of the released demons. This is how they lived hosting some of the worse demons inside themselves for centuries. In the previous book we already met Sabin, keeper of doubt, leader of the Greece warriors. During the warriors' search for the artifacts protecting their demons to have to return in Pandora's box, killing their hosts, they discover the prison of non-human females kept by the hunters as breeding vessels. Sabin is immediately fascinated by Gwen, a beautiful young woman who is afraid of her harpy side. The book is about love, trust, Gwen doubts in herself, family ... in the same time the story gets a new kick with Galen, keeper of hope, who is on the hunters' side. The relation between the two is a bit depicted too hastily; however Gwen's self-torture and the surrounding story is an enrichment for the entire series.
 Enjoy the read!

 Von Entspannen lernen
 Einen guten Überblick über den Inhalt des Buches gibt die Vorrezension; bleibt zu erwähnen, dass ich dieses Buch ohne weitere Vorkenntnisse gelesen habe. Es wird dem Leser genug Hintergrundmaterial geliefert, um die Geschichte in den Gesamtzusammenhang der Reihe platzieren zu können, aber es ist doch empfehlenswert, die Bände bei Interesse in der richtigen Reihenfolge zu lesen (1. Darkest Night, 2. Darkest Kiss, 3. Darkest Pleasure). Die Geschichte ist recht nett, hat mich aber nicht überzeugt, mit den anderen Bänden weiterzumachen. Für meine Begriffe werden sich doch eher Leser dafür begeistern, die mit dem ersten Band anfangen, ihn mögen und von da an weiterlesen.

Kurzbeschreibung
 He destroys all those he loves with a single word
 Sabin is bound to the most malicious of spirits. The joining makes him immortal and ensures that Sabin will face eternity alone. Even the strongest woman cannot resist the constant pinpricks of Doubt. Sabin is searching for Pandora's box, the source of his demon, when he rescues a beautiful woman who soon reveals her darker side. Gwen has spent her life trying to ignore her powers. Now they are uncontrollable and Gwen is dangerous. Sabin must teach her to contain her terrifying rage. And his reward will be Gwen, the one woman who can overcome his demons' evil whispers.
