Von Eileen Putman : The Dastardly Duke: A Sensual Regency Romance (Love in Disguise Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dastardly Duke: A Sensual Regency Romance (Love in Disguise Book 2) (English Edition):

Kurzbeschreibung Tormented by a dark secret, Julian LeFevre, Duke of Claridge, is a notorious and dissolute rake. His half-hearted attempt to reform his character has left him bored to death. To relieve the tedium, he wagers a friend that he can mold any pretty trollop from the London streets into a lady who'll past muster with society's elite. But Hannah Gregory is no biddable lump of clay. She has solemn gray eyes, a rebellious streak -- and is deaf from a long-ago accident. And although she conceals her real past, she can't conceal her attraction to the scoundrel who offers her a small fortune that could pay for a new medical treatment. The charade might heal her, but it also might break her heart -- if she forgets that this dark and dangerous duke is well past the point of redemption. About the Love in Disguise series: In these tales of Regency intrigue, nothing is as it seems: A street wench masquerades as a debutante to fulfill a rake's wager; an actress pretends to be a vengeful lord's mistress to catch a killer. A noble war hero disguises himself as a much older man to woo an on-the-shelf spinster. An independent widow forces her disapproving business partner to pretend to be her fiancé and teach her about passion. All are daring masquerades, with love as the prize: ber den Autor und weitere Mitwirkende Eileen Putman's love of Regency England has inspired her many research trips to Britain, France and other countries -- stepping on the very soil that Beau Brummell and his champagne-polished Hessians trod in such incomparable style.
