**Von Jacqueline Diamond : The Day-Dreaming Lady (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Day-Dreaming Lady (English Edition):

KurzbeschreibungCan a Regency lady win back the man she rejected?Lady Sara Rowdon is a day-dreamer who

imagines herself jousting with villains. If only she could win her real battle, with love. At her parents insistence, Sara broke her own heart by rejecting her impoverished suitor in hopes of finding a wealthy husband. She had no idea that her father had brought on their financial difficulties by gambling. Since then, Captain Kenneth Link unexpectedly inherited a title and a fortune. Now Sara's parents, near ruin, order her to win him back, but how can she persuade the new Marquess of Broadmoor that she truly does love him? Or perhaps, if she stopped day-dreaming and put her mind to it, she might discover that he never stopped loving her, either. Ms. Diamond is one of the most consistently enjoyable Regency authors around. -- Melinda Helfer, Romantic Times

I was thrilled to find another author, like Candice Hern, writing in the great tradition of the Heyer Regency. -- Anne Glover, Regency Reader
