Atmosphärisch Von Samiklaus Das Buch ist mir seiner Geschichte völlig auf die Spannung der Einsamkeit und Kälte in Grönland ausgerichtet. Die Geschichte ist so aufgebaut, dass man bis am Schluss nicht weiß, was wann mit wem wie passieren wird. Mir ist es beim Lesen mehrere Male kalt den Rücken runter gelaufen. Man konnte die Kälte Grönlands förmlich spüren. Für alle, welche auf mysteriöse Geschichten in der Einsamkeit stehen, ist das Buch ein Muss!

Kurzbeschreibung A chilling new case for Thora Gudmundsdottir, from Iceland's answer to Stieg Larsson. When all contact is lost with two Icelanders working in a harsh and sparsely populated area on the northeast coast of Greenland, Thora is hired to investigate. Is there any connection with the woman who vanished from the site some months earlier? Why are the locals so hostile? And could one of the team staying at the site with Thora be responsible for the disappearances? Already an international bestseller, this fourth book to feature Thora Gudmundsdottir ('a delight' - Guardian) is chilling, unsettling and compulsively readable.
