KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Love At First Sight.....aaaahhhhVon KaeI loved this book. The characters were believeable. The romance was just the right touch. I usually stay away from something so "cheesy" as a love at "first sight story" but this book might just change

my mind. I thoroughly enjoyed the story and the author had just the right touch with the whole step-family issue. It was a beautiful and touching tale that makes me believe that true love is truly possible. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great Book! Von Reader 1A wonderful fast paced story, makes you believe in love at first sight and gives hope that all passion is not gone from the world! I read it in one day will read it again. The problems with divorce and getting the children to accept someone new is really touching and the way it is done is brilliant. As for the fast moving romance, what woman wouldn't be in bed with this man in 24 hours! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Outstanding! Von Ein Kunde This was the first book I read by Ms. Bretton it has made me a fan. I will read the rest of her books now. This was one of the best books I have read, as it is so like real life. I did not want the book to end and read it over again so as to be able to relish it completely.

**Kurzbeschreibung** Was it a fling . . . or was it forever? Another unforgettable love story from USA Today Bestselling Author Barbara Bretton It's 7:08 on the morning of Maggy O'Brien's thirty-fifth birthday and she's driving carpool in her pajamas and bunny slippers. She can't remember the last time she shaved her legs. She's hasn't slept past dawn since her kids were born and one of them is now a teenager. Can life possibly get any worse? The second she sees her sisters waiting impatiently at the foot of her driveway, she knows the answer to that question. Claire and Ellie are staging a makeover intervention and no amount of protest can save Maggy from being cut and colored and waxed to within an inch of her life. And as if that's not enough, they announce she's being banished to Atlantic City for an all-expenses-paid getaway weekend for one. Maggy isn't a sequins-and-stilettos kind of woman. She's a single mom who is more comfortable pushing a shopping cart through Stop Shop than sipping champagne in the backseat of a stretch limo headed toward Vegas on the Jersey Shore. Still even Maggy isn't immune to playing Cinderella for a weekend, even if it only means room service lobster and trying her hand at the penny slots. But when she locks eyes a few hours later with ruggedly handsome police detective Conor Riley, she discovers there's more to Cinderella's story than dancing until midnight. They agree it's just a fling. A weekend of magic with no strings attached. They'd say goodbye on Sunday night and return to their everyday lives with sweet memories and no regrets. But Maggy and Conor are about to discover that maybe some flings are meant to last forever . . . 4.5 Stars - RT Top Pick! Bretton is a monumental talent who targets her audience with intelligence and inspiration. In her story you'll find no condescension or a stereotypical portrayal of a reluctant heroine forced into situations where she'd rather not be. This author respects her fans and deserves praise for never losing control of her characters just to keep the plot motivated. -- *Affaire de Coeur* Consistent winner Barbara Bretton returns with a powerhouse novel that is both touching and emotionally intense.
