**Von Marcus Sakey : The Days When You Were Anything Else (A Short Story)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Days When You Were Anything Else (A Short Story):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurz und gut!Von Kindle-KundeEine Kurzgeschichte, die einen gewissen Charme hat und spannend zu lesen ist. Das Ende

ist überraschend und lässt einen die Fähigkeiten von Sakey erkennen, gute Geschichten zu erzählen.

**Kurzbeschreibung** Frank has been many things: a husband, a father, a protector, a thief. Then a prison term took it all away. Now his daughter only calls to say that she hates him. She has her reasons, and he doesn't blame her. Besides, as long as she keeps calling, there's hope that someday he can make up for the time they lost. But when a man shows up with a cheap Chinese pistol and the locket his daughter once wore, Frank has to decide how far he will go to prove his love and save her life. A story of love, loyalty, and the costs of fatherhood, *The Days When You Were Anything Else* is a haunting thrill ride from one of America's most acclaimed suspense writers. Revised edition: This edition of *The Days When You Were Anything Else* includes editorial revisions.

**Autorenporträt** Marcus Sakey has worked as a landscaper, a theatrical carpenter, a 3-D animator, a woefully unprepared movie reviewer, a tutor, and a graphic designer who couldn't draw. In 2007 his first novel, *The Blade Itself*, was published to wide critical acclaim and thank God, because nothing else seemed to be working. His books have been nominated for more than a dozen awards, named to multiple *Years Best* lists, and translated into numerous languages. Three are currently in development as feature films. Marcus was also the host and writer of the acclaimed television show *Hidden City* on Travel Channel, for which he was routinely pepper-sprayed and attacked by dogs. To research his work, Marcus has shadowed gang cops, trained with snipers, toured the morgue, flown planes, rappelled with SWAT teams, hung out with spies, and learned to pick a dead bolt. He's an excellent cook, a travel junkie, and a devotee of ridiculously spicy food. He also enjoys writing about himself in the third person.
