**Von Deanna Raybourn : The Dead Travel Fast (Mills Boon MB)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dead Travel Fast (Mills Boon MB):

KurzbeschreibungA husband, a family, a comfortable life: Theodora Lestrangle lives in terror of it all. With a modest inheritance and the three gowns that comprise her entire wardrobe, Theodora leaves Edinburgh and a disappointed

suitorfear behind. She is bound for Rumania, where tales of vampires are still whispered, to visit an old friend and write the book that will bring her true independence. She arrives at a magnificent, decaying castle in the Carpathians, replete with eccentric inhabitants: the ailing dowager; the troubled steward; her own fearful friend, Cosmina. But all are outstripped in dark glamour by the castle's master, Count Andrei Dragulescu. Bewildering and bewitching in equal measure, the brooding nobleman ignites Theodora's imagination and awakens passions in her that she can neither deny nor conceal. His allure is superlative, his dominion over the superstitious town, absolute. Theodora may simply be one more person under his sway. Before her sojourn is ended or her novel completed, Theodora will have encountered things as strange and terrible as they are seductive. For obsession can prove fatal and she is in danger of falling prey to more than desire.
