Von M. C. Beaton : The Deadly Dance: An Agatha Raisin Mystery (Agatha Raisin Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Deadly Dance: An Agatha Raisin Mystery (Agatha Raisin Mysteries):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. einfach unverschämte, so viele Fehler so teuer zu verkaufen Von JoDie Wertung bezieht sich ausdrücklich nicht auf den eigentlichen Inhalt - aber ich finde es ist mehr als unverschämte, bei 4 Euro für ein Ebook zu verlangen, welches dann vor Druckfehlern oder besser Fehlern nur so strotzt! Teilweise kaum zu verstehen, muss man sich dann etwa zusammenreimen, da mit EVE, die häufiger erwähnt wird, wohl eher "I've" gemeint sein muss und anderes. Bereits in den ersten Kapiteln so viele derartiger Fehler, die nunmal einfach den Lesefluss unangenehm unterbrechen, da man nur noch genervt ist. Dies stieß mir schon bei den vorausgegangenen Bänden unangenehm auf, hat hier aber neue Hochform erlangt. Beispiel auf ca 1 (!!!) Buchseite: "but fche wanted to...".. "Eve got to go out".. "Eve told the father. Ell bill him for expenses" Ich finde das auch sehr rgerlich, wenn es eine Gratisausgabe wäre - so einfach inakzeptabel! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Agatha Opens a Detective Agency Von Donald Mitchell Agatha Raisin and the Deadly Dance marks a great improvement in the Agatha Raisin series as she opens a detective agency in Mircester. Now, Agatha can be involved in more cases, increase the number of continuing characters in her investigations, and overcome the focus on finding an attractive man that dominated so many earlier books in the series. The main flaw in this book is that Agatha is very grumpy as the book opens, and it's not until she gets over her anger that the story becomes fully appealing. So stick with it, and you'll be well rewarded by this virtual satire of The No. 1 Ladies' Detective Agency. Agatha decides to go to Paris alone, but her good time is spoiled when a thief on the Metro snatches her money. The French police are even more annoying when they condescend to her when she claims to be an amateur detective. Agatha returns to set up her detective agency. Her first hire turns out well when new next-door neighbor, sixty-seven-year-old Emma Comfrey, turns out to be a whiz at finding cats, getting clients to pay premium prices, and asking the right questions. Agatha is most excited, however, when Sir Charles Fraith sends a friend, Mrs. Laggat-Brown, along whose daughter, Cassandra, has received a death threat related to her forthcoming marriage to Jason Peterson, whose father has a shady past. Accompanied by Emma, the two attend Cassandra's engagement party where Agatha as usual makes a big splash. Puzzled by who is after Cassandra, Agatha soon beefs up the detective agency with her friend, Miss Simms, a retired police officer, and various freelancers who can help track and photograph cheating spouses. Sir Charles eventually shows up and wants to join the action, as does her friend Roy Silver. Before the book ends, you'll read about as many crimes as normally occur in three Agatha Raisin stories . . . and you'll enjoy every minute of it. But with Agatha so busy solving cases, who will take care of her cats? And will she have time for her old friends? I especially enjoyed this reading of the book by Donada Peters who has done well with the whole Agatha Raisin series. 1 von 1 Kunden fanden die folgende Rezension hilfreich. M C Beaton's Agatha Raisin Von expat I am not going to comment on each book individually! I have just read the last one in the series and feel as if I have lost an old friend. I loved the books. Very imaginative and well written. There are lots of murders in each book and wonderful characters who help solve them. As far as I am concerned I would have followed Agatha Raisin's adventures into her 80s:-). Can recommend the series to anyone who has a stressful job, wants a rest from hardcore crime novels and enjoys books à la Agatha Christie if not as detailed. This is my opinion and I am definitely sticking to it, having just had a bad experience in a forum. I hope that recessions are read by people who allow others to voice their own opinions without getting insulting. I fully realize the Agatha Raisin series won't be everyone's cup of tea! But it was mine - now on to the Hamish Macbeth series.

Kurzbeschreibung The Deadly Dance continues the tradition in M. C. Beaton's beloved Agatha Raisin mystery series - now a hit show on Acorn TV and public television. Bossy, impulsive, and unlucky in love, the all-too-human Agatha Raisin has proved to be a surprisingly effective - and endearing - amateur sleuth. But can Agatha make it as a private investigator? After getting mugged on vacation, in what she will always think of as the Paris Incident, she decides to find out. Agatha soon learns that running her own detective agency in the Cotswolds is not quite like starring in a Raymond Chandler movie. Instead of dames in distress with big shoulder pads, her clients are ladies with missing cats and a man whose son has run off with his car. Agatha even worries that she might be outclassed by her sixty-seven-year-old secretary, Emma Comfrey. But then wealthy divorcee Catherine Laggat-Brown walks in with their first "real" case. Mrs. Laggat-Brown's daughter has received a death threat, and when Agatha thwarts an attack on the girl at a dinner dance, she recognizes an opportunity to show what Raisin Investigations can do. Even better, the case gives her a chance to reunite with her long-absent friend, Sir Charles Fraith. As they scour the Cotswolds in search of leads, Charles' insights prove invaluable and his charms irresistible, leading poor Emma to fall madly in love with him. As ever, Agatha bumbles her way through the case, trying her friends' patience and flirting shamelessly with the chief suspect. Will she put her tiny agency on the map, or has even the outrageous Agatha finally bitten off more than she can chew? Pressestimmen "It's been 40 years since Dame Agatha Christie's death, and in that time, reviewers have often bestowed her mantle on new authors. M.C. Beaton is one of those so honored, and she deserves it. When it comes to artfully constructed puzzle plots and charming settings, Beaton serves it up... this is a classic British cozy plot, and a setting done with panache. Maybe M.C. Beaton really is the new 'Queen of Crime.' " --"The Globe Mail"

It is always fun to read an Agatha Raisin mystery, but the latest installment freshens up a delightful series by converting the heroine from amateur sleuth to professional without changing her caustic wit. Agatha remains crude and rude even to clients, but also retains that vulnerability that endears her to readers." --"Midwest"" Book " " A very satisfying change for the smart woman of mystery with a new cast of colorfully realized characters blending with a few old favorites." --"Mystery Lovers Bookshop" " The story was first-rate and moved along with many twists and turns that kept me always guessing... I read this book in one sitting, which I think speaks for itself." --"I Love a Mystery" " Fans of Agatha Raisin will be absolutely delighted at this latest addition to the series. Ms. Beaton has surpassed herself in "The Deadly Dance,"" --" ing the Evidence""It's been 40 years since Dame Agatha Christie's death, and in that time, reviewers have often bestowed her mantle on new authors.
