Von Noah Gordon : The Death Committee (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Death Committee (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice readVon BeateAn interesting and entertaining story about three young and one senior doctor working in a Boston hospital. Could be seen as predecessor to ER, Grey's Anatomy, etc.0 von 0 Kunden fanden die folgende Rezension hilfreich. OkVon juanIt's a good boog for entertaining, but very far from other books from Noah Gordon. Anyway it is

nice to learn about the world of people who has so much responsibility dealing with human lives.0 von 0 Kunden fanden die folgende Rezension hilfreich. ganz nettVon picasentschoene Beschreibung von 4 Hauptpersonen in den 60er Jahren, erinnert sehr an Grey's Anatomy. Sehr weit vom faszinierenden Level vom Medicus entfernt

KurzbeschreibungWhat if hospitals and doctors could quietly bury their mistakes? This fascinating, bestselling novel tells you why they cant.Three young men from different backgrounds have graduated from medical schools and become surgical fellows at a leading teaching hospital in Boston. They learn to become surgeons, to communicate with patients and families, and to be observed and appraised by their peers and professors on daily rounds. And each monthsometimes with dry mouth and rapid pulseeach attends the meeting of the Mortality Conference, known to all as the Death Committee, which examines every patient loss for possible human error, in order to prevent it from happening again. How the Death Committee affects and is affected by the lives, loves, and ambitions of three new doctors is the theme of this intriguing and profoundly moving novel.
