Von Lori Brighton : The Demon Hunter (The Hunter Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Demon Hunter (The Hunter Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. FascinatingVon CustomerAfter I read the Ghost Hunter, I wanted to see how things go on, and so I bought this book.

And I was not disappointed by the second book. It was as well as gripping and compelling.

Kurzbeschreibung On Sale for a Limited Time Only! Ellie has always been different, from playing with fairies as a child to fighting demons as an adult. She grew up wondering why no one else seemed to notice the oddities of the world that she came into contact with on a daily basis. When she is the only witness of a demon attack and the police suspect her, Ellie skips the country heading to England where she plans to keep a low profile. Everything is going fine, until Devon appears, stumbling around her garden like a drunken fool, and completely naked no less. Six months ago Devon sacrificed himself to bind the soul of a demon and save the world from certain destruction. Thanks to a spell gone awry, Devon is back. But Devon hasn't come alone. The very demon he tried to destroy has returned and is wreaking havoc on earth. When Devon meets Ellie, he instantly recognizes another supernatural being. Ellie may just be the only person who is strong enough to destroy the demon, if the demon doesn't destroy her first. Previous books in the Hunter Series include: *The Ghost Hunter* (Book 1) *The Demon Hunter* (Book 2) Intended for ages 18 and over.
