KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Die Dmonen sind los...Von ullaNach Jahren der Gefangenschaft unter der Erde sind die Dmonen nun wieder frei. Aber

ihre alten Gegner, die Feen wollen sie erneut einkerkern. Die freigesetzten magischen Energien katapultieren die Erde in ein vorindustrielles Zeitalter zurück und die Menschen werden in dem magischen Konflikt zwischen den beiden mächtigen Gegnern aufgerieben. In dieser düsteren Welt spielt Lisa Alders Geschichte *The Demon's Bargain* (*Demons Unleashed Erotic Novellas*), der erste Teil der Serie "Demons Unleashed". Gaap, der Prinz der Dmonen befiehlt seinen Gefolgsleuten so viel Energie wie möglich zu sammeln. Deshalb beginnt auch Vetis, der Dmon der Korruption, seine Schulden einzutreiben. Amara soll für ihren hinterhältigen Ehemann, wie schon so oft, mit ihrem Körper zahlen. Aber der Handel mit einem Dmon hat seine Tücken...Es entwickelt sich ein erotisches Spiel, beim dem bald keiner mehr weiß, wer Verführer ist und wer verführt wird. Kann Vetis Amara gehen lassen, wenn der Handel erfüllt ist? Der Schwerpunkt der Story liegt eindeutig auf der Erotik, die geschmackvoll und mit deutlichen Worten geschildert wird. Aber auch die Geschichte macht neugierig: Haben Vetis und Amara bei ihrem Handel etwas entdeckt, das vielleicht sogar den Krieg zwischen Feen und Dmonen beeinflussen wird? Ich werde die Serie wohl nach und nach lesen. Sie "Gefällt mir", also 4 Punkte.

Kurzbeschreibung *The Demons Bargain* by New York Times and USA Today Bestselling author, Lisa Alder, is the first book in the Demons Unleashed paranormal romance series. When the Demon bargains for one night of her pleasure...no one loses. Vetis, the Demon of Corruption, is bored. It's too easy to tempt humans into committing horrible acts and the appeal has worn thin. He's restless and seeking distraction...until a gambler offers to settle a debt by submitting his wife for Vetis's use. One tiny glimpse of the rage in Amara and the absolutely sexless way she endures his sensual touch, and Vetis has his challenge. Hell make this woman enjoy the carnal pleasures of sex. The bargain is struck. One night. Of HER pleasure. And the debt will be paid. Ill-used by her husband, Amara believes she is doomed, for she has no pleasure within her, her innocence forfeit long ago. But as Amara's body awakens with sinful desires and carnal longings, hope begins to blossom that pleasure is within her reach. Demons never fail and the challenge is on. Vetis knows with the right sensual persuasion the debt will be paid in pleasure, however he doesn't bargain on falling in love. Warning: this erotic romance novella contains m/f/m sex, light bondage, and smokin' hot demon sex. This is a 25,000 word erotic paranormal romance novella featuring Demons, Fae and Humans in a post-apocalyptic world. The Demons Unleashed series features a paranormal post-apocalyptic world of Demons who have been trapped beneath the earth's crust for over a thousand years and who now struggle for power over the Fae, their mortal enemies, who cast them into their prison.
