Kundenrezensionen Hilfreichste Kundenrezensionen 5 von 6 Kunden fanden die folgende Rezension hilfreich. Lazy effort Von Gerd Drner Needless confusing, sloppy written, there's no flow to the story nor does the author show a real understanding for how sentences work together - The Descent fits all clichés about self-published eBooks. Not a work I would recommend reading. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I read all 3 books in 2 days, couldn't stop. Von Karin Divens What I didn't like was the fact that the story in the 3 books always jumped forward and backward in time. Sometimes that confused me. And there are still many things I didn't understand. Maybe they will be explained in later books.... But it is written in a fascinating way, which makes you keep reading, can't stop. 3 von 5 Kunden fanden die folgende Rezension hilfreich. Spannend vom Anfang an Von Keleios Die Descent Serie von SM Reine hat mich von Anfang an begeistert. Das Genre ist belaufen und bei weitem nicht alle Autoren vermögen es, noch einmal eine neue Wendung hervorzubringen. Dies ist der Autorin jedoch gelungen. Sie nimmt Abstand vom Schwarz-Wei Denken und bringt neue Ideen in das Hexen-, Engel- und Dämonenthema. Sie vermag es Emotionen beim Leser

hervorzubringen. Der Hauptcharakter Elise ist authentisch und weicht von dem blichen "Heldin ist eigentlich ganz normal und entwickelt immer dann, wenn es darauf an kommt Superkrfte" Schema ab. Insbesondere James der Hexer und Hohe Priester eines Hexenzirkels ist, ist eine tolle Figur und bereichert den Plot. Die beiden sind zusammen "Schwert und Schild" und kmpfen gegen bse Dmonen, gefhrliche Engel und alles was sich ihnen noch entgegen stellen mag. Dabei sind die Grenzen zwischen Gut und Bse nicht immer ganz klar, was zur Steigerung der Spannung beitrgt. Die Geschichte wird auch dadurch angereichert, dass die Vorgeschichte immer durch Rckblicke in die aktuelle Geschichte mit hineingeschoben wird. "The Deaths Gate" beginnt zu einer Zeit, nachdem es Elise und James gelungen ist sich von der Jagd auf das Bse zu Ruhe zu setzen und ein neues Leben zu beginnen. Als die Tochter einer Hexe aus James Zirkel Anzeichen einer dmonischen Besessenheit zeigt, lsst sich Elise von James berreden noch ein einziges Mal einen Exorzismus durchzufhren. Das erweist sich im Nachhinein als schlechte Idee, denn es bringt Elise's alte Feinde zurck auf ihre Spur. Von da ab beginnt ein Abendteuer, das man nicht mehr aus der Hand legen mag. Alles in allen eine gelungene Serie, die Lust auf mehr macht.

Kurzbeschreibung This is a collection of the first three titles in The Descent Series, which are gritty urban fantasy books about a demon hunter's battles against the forces of Heaven and Hell. Books included: 1. Death's Hand 2. The Darkest Gate 3. Dark Union DEATH'S HAND Elise Kavanagh doesn't want to hunt demons anymore. It's been five years since she killed her last enemy, and life has been pretty good since then. She went to college. Got a job, and then lost it. Made a friend or two. Lived a normal life. Now her former partner, a powerful witch named James Faulkner, wants Elise to fight one more time. The daughter of a coven member has been possessed, and Elise is the only exorcist nearby. Doing the hero thing again would mean risking discovery by old enemies. But digging into the case reveals that it might already be too late--bodies are disappearing, demons slither through the night, and the cogs of apocalypse are beginning to turn. Some enemies aren't willing to let the secrets of the past stay dead... THE DARKEST GATE When Elise Kavanagh retired from demon hunting, she swore it would be permanent. But an attack from a powerful necromancer forced her back into the business, and now she's trying to balance her normal boyfriend and normal job with everything supernatural. Mr. Black is a demon hunter gone rogue. He's enslaving angels and stealing ethereal artifacts in pursuit of forbidden immortality, and an old grudge drives him to make his final stand in Elise's territory. Destroying her life and killing her friends isn't the goal, but it's a definite perk. A demonic overlord offers to join against Mr. Black and protect Elise's loved ones. All she needs to do is ally with the demons she's sworn to kill, at the cost of her morals--and maybe her immortal soul. But once she crosses that line, there's no turning back. Nothing is sacred when Heaven and Hell collide on Earth... DARK UNION Every fifty years, the most powerful ethereal and infernal beings convene on Earth to resolve conflicts with mediation by kopides--humans born to police relations between Heaven and Hell. They're meeting in Elise Kavanagh's territory this year, and she used to be the greatest kopis in the world. But she's not invited. An old friend, Lucas McIntyre, asks her to attend the summit in his place. But when she arrives, she discovers that a human faction called The Union has taken charge of the summit, and they're not playing nice. Worse yet, someone has killed a prominent Union member... and now they're demanding blood.
