**Von Karen Leabo : The Devil and the Deep Blue Sea** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Devil and the Deep Blue Sea:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Adventure and romance make this a page turnerVon Ein KundeKaren Leabo is a talented writer who manages to combine kidnaping, a burnt out FBI agent, a beautiful "mafia princess" and drug money with a truly sensuous tale of love and growing trust between a man and a woman who make one another complete. For anyone who enjoys romantic suspense or woman in jeopardy, this is a must-read. I couldn't put it down.

Kurzbeschreibung Karen Leabo spins a sexy, thrilling story of an FBI agent playing a dangerous game and falling head over heels in love with his beautiful target. Special agent Clint Nichols has had suspected gangster Jimmy Gabriole in his sights for a while. Then Jimmy makes it personal and kidnaps Clints ex-wife. Never one to back down, Clint takes action. His plan is straightforward: hijack Jimmys sailboat, snatch the mans sister, and negotiate an exchange. But the moment Clint lays eyes on Marissa Gabriole, he can think of nothing else but getting tangled between the sheets with the stunning beauty. Marissa knew that spending the weekend on her brothers yacht was a bad idea. First Marissa discovers that shes prone to seasickness. Then shes taken hostage by a man who claims that Jimmy is in cahoots with the mob. Marissa should be terrified, but something about the tender, uncompromising agent steadies her nerves. As Clint fights to keep his mission (and himself) alive, Marissa learns that nothing is what it seems and realizes that her abductor is slowly but surely capturing her heart.
