first book of a series Von Skippy I loved the suspense, it kept me reading and reading although I had other plans and I'm very glad I had bought the first three books of this series together so I can continue with the second book. My favorite scene was when the front teeth...were extracted in a not dentist way :D1 von 1 Kunden fanden die folgende Rezension hilfreich. Hot action and tender romance Von Philologus Here it goes: Cain Casey is running her family business and at that she is a mobster - but God knows she is doing this with flair and something akin to Robin Hood, so that the reader is very much captured with her ... and so is Emma her wife once who left when she thought herself betrayed by Cain. Now she is back and has a lot to discover about the real betrayal. The action is there, an intelligent plot and at the end you just hang on waiting to see how it ends with Cain and Emma. No such easy luck but there is Ali Vali's sequel waiting. Having me in high hopes that she can just uphold the pace, humour and insightfulness of the devil inside. Thank I will have only three days of suspense.

Kurzbeschreibung Brains, guts, and ruthless ambition should be enough to come out on top in any fight. Except when the battle is over love, all bets are off. Derby Cain Casey was groomed from birth to take the reins of the Casey family enterprises, which just happens to be one of the major crime organizations in New Orleans. Surviving by never turning away from a fight and knowing how to win at all costs, Cain is as careful with her heart as she is with her business - until she meets Emma Verde. The farm girl from Wisconsin puts a hit out on Cain's heart and leads her down a dangerous road filled with great joy and devastating sorrow. The Devil Inside is the story of unexpected passion, a shattering betrayal, and the challenge of love put to the test.
