Von Laurin Wittig : The Devil of Kilmartin: A Kilmartin Glen novel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Devil of Kilmartin: A Kilmartin Glen novel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. gute SchottlandstoryVon nordlnderinIch habe die engl. Kindle Version gelesen und fand sie sehr gut.Die Geschichte ist spannend geschrieben. Der schottische Clanfhrer ist angeblich verflucht und vom Teufel besessen.Er ist ein symphatischer Held der alles versucht damit es seinem Clan besser geht.Als er die geflohene Heilerin trifft und vor

ihrem Verfolger rettet, sprit er ihre magischen Kräfte und schöpft Hoffnung auf eigene Heilung. Die Heilerin hatte ein schwere Kindheit und litt unter ihrem despotischen Vater, der sie zwang ihre Heilkräfte für seine Krieger einzusetzen. Diese Heilungen sind sehr schwer für sie und nur unter Schmerzen möglich. Sie will nur eins- Freiheit und ein normales Leben. Natürlich entwickelt sich die Liebe zwischen ihnen.... Das Leben in der schottischen Burg wird sehr anschaulich beschrieben und auch die vielen anderen Bewohner sind sympathisch dargestellt. Es gibt einige logische Fragen bezüglich des Weins aber da kann man ja auch seine eigene Fantasie einsetzen um eine Erklärung zu finden. 0 von 0 Kunden fanden die folgende Rezension hilfreich. ok story..... Von Miss H 3 stars means "not bad" and I cannot say that about this book. So it is 2 stars for this book. The hero saved the heroin (ok that was nice) but then decided to keep her because he thinks she can help his illness (ugh.....kind of selfish no?). Heroin is magical powers and can heal people JUST LIKE THAT. But she experiences pains during the healing and also feels weak afterwards (ok I see where you are going with this....) I mean the premise is ok. But the story was kind of flat. The lead characters are OF COURSE from enemy clans and OF COURSE must not get married because oh my God they are supposed to hate each other. The heroin constantly thinks about how she would "suffer" if people find out about her healing ability. While I understand her feelings, it is kind of unattractive in a romance novel. Maybe it was how she was portrayed. After all what she feels is only too natural. Anyone in her position would want to protect him/herself. But I just cannot help but feel that she is a selfish coward. I can only conclude that it was the writing. The hero is kind of boring too. Because of his illness he seems really weak to me sometimes. And of course they have to have sex at some point but when it happened it was kind of blah. Overall, a rather bland story. It is however, not horrible. So I am not giving it a 1 star rating. 2 stars, that is my best offer.

Kurzbeschreibung "A truly magical Scottish romance, The Devil of Kilmartin is sure to sweep the readers off their collective feet and draw them into the mystical glens and greenery of the beautiful Scottish countryside. Unreservedly charming and absolutely riveting!~ The Road to Romance" Writing with the same passion that drives her characters, Wittig is certain to keep you turning the pages."~ Donna Kauffman, USA Today bestselling author Award-winning, Top 10 bestselling author Laurin Wittig's debut novel: In the dark of night, Elena of Lamont must flee her home after her father's death to escape the brutal clansman determined to satisfy his lust for power -- and for her. But as the captivating beauty runs from one dangerous man she finds herself landing in the arms of another, one whose passionate embrace offers perils of its own... As the chief of the Lachlan clan, Symon MacLachlan vows to protect the fiery-haired lass whose gentle touch relieves the demons clawing at his soul. Despite her fierce denials, he is certain Elena is the legendary Lamont healer -- and certain that he must have her for his own. Desperate for her soothing caress -- and unable to quell the desire burning inside him -- Symon is compelled to lure Elena into marriage. But will he be able to win the love of the tender enchantress who has stolen his heart? "Weaving passion, honor, intrigue and a touch of the paranormal... Ms. Wittig has secured a place of honor on my 'must-read' list."~ Escape to Romance s "An exciting Medieval Scottish romance... engaging... fans will relish this delightful historical tale."~ BookBrowser If you love a tortured hero, a heroine who is more than she appears to be, and the beauty and magic of the Scottish Highlands, this is a book for you!
