Leichte, spannende Unterhaltung und in der Originalsprache gleichzeitig eine willkommene bung. Als Urlaubs- oder/und Bettlektre, wie immer bei Forsyth, sehr geeignet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. THERE`S NO OTHER RATING POSSIBLE FOR THIS ONE ! Von Z do Borogod 5-stars ! This

is the only rating possible for the best-ever Forsyth book! The plot is incredible, the action well distributed, the characters full of passion and convictions (although today Ukraine is already free!) As an international thriller, it is perfect ! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Never wordy, never uninteresting, fantastic Von Ein Kunde I was so surprised at this book.. I bought it for curiosity, because it really amazes me (as a member of the post-Cold War generation) how terrified people were. It turned out to be an amazing, complex story, and even I didn't predict the ending. I've really never seen anything like Forsyth's work. (The best part is that I read this for school credit in 8th grade.. for once, a book I didn't hate.) I had to reread several times, not for confusion but for the brilliance of the dialogue. It's a shame Forsyth has given up suspense, but I wish him well.

**Kurzbeschreibung** The chilling thriller from an international bestselling phenomenon. 'Whichever option I choose, men are going to die.' When the entire Soviet Union wheat crop is destroyed by a devastating string of failures, the population faces starvation. The USA is quick to offer assistance. They devise a plan to trade vital food resources with the Russians in exchange for sensitive political information. But the Politburo has other ideas: the invasion of Western Europe to commandeer the food for themselves... As the paths of communication breakdown the president of the United States and leaders from around the world face an appalling choice: Should they allow the loss of thousands to save the lives of many more? This is the Devil's Alternative and in this incomparable and gripping thriller the Cold War giants must fight a battle to the death. **Pressestimmen** "Again reveals Forsyth as a master of the meticulously researched thriller" (Bookseller) "Compulsively readable... I was hypnotised" (Financial Times) **Werbetext** The chilling thriller from an international bestselling phenomenon
