Von Simon Kurt Unsworth : The Devil's Detective before purchasing it in order to gage whether or not it would be worth my time, and all praised The Devil's Detective:

Kurzbeschreibung WELCOME TO HELL. Solving crimes was the purpose of Hell's Information Men, yet they almost never achieved it, and even when they did, the facts they scraped free were lost, buried again in the labyrinthine mess of the infernal Bureaucracy. When an unidentified, brutalised body is discovered in Hell, the case is assigned to Thomas Fool. But how do you investigate a murder where death is commonplace and everyone is guilty of something? Pressestimmen Original, tense, and full of great twists, this is one hell of a great read. Hugh Howey, author of WOOL Damned good. . . . An entertaining Dantean spin on the police procedural. Financial Times A grand, nightmarish page-turner that will have you riveted no matter how much you'd prefer to look away. Kirkus s This might be the most whimsical murder story ever told. The Devil's Detective is relentlessly creative, fearlessly witty, and completely twisted. Naturally, I loved it. Chelsea Cain, bestselling author of One Kick A clever spin on the traditional police procedural. . . . We've seen other novels set in Hell, but we haven't seen a Hell quite like this. Booklist Dark and luminous, compelling and insidious, The Devils Detective is a novel that transcends genre. Michael Marshall Smith, bestselling author of The Intruders and The Straw Men Hell as the setting for an noir investigation turns out to be as fun as it sounds in The Devil's Detective. Inventive and pacy, Simon Kurt Unsworth has created a world under world? distinctly his own. Andrew Pyper, author of The Demonologist and The Damned Inventive and intriguing Unsworth turns a journey through Hell into a heavenly read. Alison Littlewood, author of A Cold Season A layered, fascinating first novel that will put readers firmly in mind of Clive Barker as they indulge in the gorgeous detail of Hell and all of its squalid denizens. The Devils Detective is an ambitious yet accomplished piece of work that will leave the reader not only wanting more Thomas Fool but hoping against hope that the reality of Hell isn't anywhere near as bad as the version in Unsworth's imagination. This Is Horror.co.uk Werbetext A stunning blend of Crime Thriller and Dante-esque Horror.
