**Von Stephen Booth : The Devil's Edge: A Cooper Fry Mystery (Cooper Fry Mysteries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Devil's Edge: A Cooper Fry Mystery (Cooper Fry Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Klasse ThrillerVon N.R.Weiterhin hochwertige Geschichte des Ermittler Duos Cooper und Fry. Auch fr Leser, die dem

Englischen nicht regelmig in Schriftform begegnen durchaus zu schaffen. Spannend bis zur letzten Seite.

**Kurzbeschreibung** When nobody's home, the Savages roam ...The newspapers call them the Savages: a band of home invaders as merciless as they are stealthy. Usually they don't leave a clue but this time, they've left a body. The first victim is found sprawled on her kitchen floor, blood soaking the terracotta tiles. Before long, another corpse is discovered, dead of fright. As the toll rises, it's up to DC Ben Cooper and DS Diane Fry to track down the killers. But the enemy isn't who they think it is. Beneath the sinister shadow of a mountain ridge called the Devil's Edge, a twisted game is under way, a game more ruthless than the detectives can imagine. Packed with nerve-jangling suspense and moody atmosphere, this is a thriller to rival the very best of Peter Robinson and Peter James. **Pressestimmen** A modern master (Guardian) Wonderful (Daily Mail) One of our best storytellers (Sunday Telegraph) Besides rendering Cooper and Fry as fully realized characters, Booth makes even minor characters as distinct and sharp as the jagged rocks of the Riddings Edge. (PW on The Devil's Edge) **Werbetext** Packed with nerve-jangling suspense and moody atmosphere, and featuring two of the most appealing heroes in modern crime fiction, The Devil's Edge is a thriller to rival the very best of Peter Robinson and Peter James
