Kurzbeschreibung When Michele commits a crime in which someone is injured, she is sentenced to prison for three years where she is bullied and beaten by hardened criminals. When she is given a chance to live with her aunt and pursue an education instead, she jumps at the chance. What she didn't expect was that her aunt was quite the bully herself. Using humiliation and corporal punishment, Aunt Violet works hard to set Michele on the correct path. When Michele wets her pants during a trip over her knee, it's diapers for this 18 year old girl. Michele has only two choices; accept her Aunt's punishments or go back to prison.
