Sehr interessante Lebensgeschichte einer Mistress Von Customer Dieses Buch beschreibt die Geschichte einer jungen Frau aus Tschechien, die in London ihre dominante Ader entdeckt. Sehr sschn sind die verschiedenen Kunden und ihre

Marrotten beschrieben. Dazu lsst Adela T uns an ihren Gefhlen gegenber ihren Kunden teilhaben. Im Gegensatz zu den meisten Bchern in diesem Genre ist die Sprache wohltuend gut gewhlt und vermeidet weitgehend Voyeurismus oder nur die platte Beschreibng von Sadomasospielen. Das Buch ist zwar auf englisch geschrieben aber ohne Probleme auch fr den Nichtmuttersprachler lesbar. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Smart and witty! Von gregorA high-flying classy dominatrix shares the good, the bad and the ugly sides of her business candidly and humorously. Thoroughly enjoyable and stimulating reading!

Kurzbeschreibung This is a true story. The story of one girls journey from innocent amateur to professional dominatrix. In a complex and secretive industry I received no training, never worked for any establishment or ever answered to anyone. I used my own initiative and my own ideas, made my own mistakes and learnt my own lessons. During the course of the book only the names of my clients as well as certain details regarding their looks and lives have been changed, to protect their privacy. Their desires, deviations and demands however have neither been altered nor edited. The bulk of the book looks at my first year as an emerging dominatrix and reveals detailed encounters with my diverse bank of deviants: Some good, some bad, some sweet, some naughty. Some very, very, naughty. Other chapters are devoted to my alter ego as a charming dinner and event companion. Kurzbeschreibung This is a true story.
