touching story of the young girl Anne Frank lets one see it through the eyes of a becoming teenager. The perception of war and hiding are brought to ones attention, while keeping it so honest with entries on the daily lives during that time. 10 von 0 Kunden fanden die folgende Rezension hilfreich. Poor packaging Von SamSte3 Stars because the book was not covered by any thing even a nylon. only put this book alone into a bad structured box with another product (ABUS Bordo Lock 6000) that I bought together. They even can do better if they cover the book only with paper or somehow. I received the book like a mess. Sending feedback to them without receive any kind of support I really want to give 1 star but others will think that I hate the book. No, I love it, my wife love it, I dont like the way sends it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Low paper quality, not recoomended Von Muhammad Hisham Qureshi Hashmi The quality of paper is pathetic. The pictures are not visible at all. Its like a photocopy book, not recommended to buy from this seller.

Kurzbeschreibung One of the most famous accounts of living under the Nazi regime of World War II comes from the diary of a thirteen-year-old Jewish girl, Anne Frank. Today, *The Diary of a Young Girl* has sold over 25 million copies world-wide. It is one of the most celebrated and enduring books of the last century and it remains a deeply admired testament to the indestructible nature of human spirit. Anne Frank and her family fled the horrors of Nazi occupation by hiding in the back of a warehouse in Amsterdam for two years with another family and a German dentist. Aged thirteen when she went into the secret annexe, Anne kept a diary. She movingly revealed how the eight people living under these extraordinary conditions coped with hunger, the daily threat of discovery and death and being cut off from the outside world, as well as petty misunderstandings and the unbearable strain of living like prisoners. *The Diary of a Young Girl* is a timeless true story to be rediscovered by each new generation. For young readers and adults it continues to bring to life Anne's extraordinary courage and struggle throughout her ordeal. 'One of the greatest books of the century' *Guardian* 'A modern classic' *The Times* 'Rings down the decades as the most moving testament to the persecution of innocence' *Daily Mail* 'Astonishing and excruciating. Its gnaws at us still' *New York Times* Book Anne Frank was born on 12 June 1929. She died in Bergen-Belsen, three months short of her sixteenth birthday.. deA beloved classic since its initial publication in 1947, this vivid, insightful journal is a fitting memorial to the gifted Jewish teenager who died at Bergen-Belsen, Germany, in 1945. Born in 1929, Anne Frank received a blank diary on her 13th birthday, just weeks before she and her family went into hiding in Nazi-occupied Amsterdam. Her marvelously detailed, engagingly personal entries chronicle 25 trying months of claustrophobic, quarrelsome intimacy with her parents, sister, a second family, and a middle-aged dentist who has little tolerance for Anne's vivacity. The diary's universal appeal stems from its riveting blend of the grubby particulars of life during wartime (scant, bad food; shabby, outgrown clothes that can't be replaced; constant fear of discovery) and candid discussion of emotions familiar to every adolescent (everyone criticizes me, no one sees my real nature, when will I be loved?). Yet Frank was no ordinary teen: the later entries reveal a sense of compassion and a spiritual depth remarkable in a girl barely 15. Her death epitomizes the madness of the Holocaust, but for the millions who meet Anne through her diary, it is also a very individual loss. --Wendy Smith.com Anne Frank's diaries have always been among the most moving and eloquent documents of the Holocaust. This new edition restores diary entries omitted from the original edition, revealing a new depth to Anne's dreams, irritations, hardships, and passions. Anne emerges as more real, more human, and more vital than ever. If you've never read this remarkable autobiography, do so. If you have read it, you owe it to yourself to read it again.
