Doctor's Pretty Pet: A Medical BDSM Fantasy (XXX Stories) Von Lily M. "The Doctor's Pretty Pet: A Medical BDSM Fantasy (XXX Stories)" by Suzie Cox is a short erotic steamy read and it starts with Gilly, the main character, and her stepfather being caught in a compromising position by the handsome Dr. Aaron Steele. She's afraid that the doctor exposes their secret and not to do so she's willing to cooperate with Steele which means...to let her use her however he wants. This book is really good, the sex was hot, liked the characters and well-written.

Kurzbeschreibung When Gilly and her father are caught in a compromising position by the handsome yet intimidating Dr. Aaron Steele, she's terrified. And with good reason; what if the doctor exposes their secret? But the doctor has much bigger plans. Plans that involve blackmail. And the price of his blackmail? Gilly's full cooperation. She must allow him to take her to his exclusive, upscale office, outfitted with every device imaginable, and use her however he wants. Warning: Extremely graphic sexual content. For mature audiences only! Kurzbeschreibung When Gilly and her father are caught in a compromising position by the handsome yet intimidating Dr. Aaron Steele, she's terrified.
