Von Dorothy L Sayers : The Documents in the Case (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Documents in the Case (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Interessanter KrimiVon VilletteDieser Krimi von Dorothy L. Sayers ist ein interessantes Stck Literatur, da es kein Krimi im typischen Sinn ist. Es dauert erst einmal ca. 140 Seiten, bis überhaupt ein Mord geschieht. Alles, was davor kommt, ist Vorbereitung. Aber diese Vorbereitung is keineswegs langweilig, sondern eine bissige Gesellschaftssatire.

Dann kommt der Mord und es folgt eine nicht weniger bissige Aufklärung. Geschrieben hat Sayers diesen Krimi, wie der Titel schon sagt, in Form von Dokumenten, d.h. in Form von Briefen und schriftlichen Aussagen. Der Krimi ist nicht sehr spannend, aber ansant und in der Aufklärung nicht vorhersehbar. Ich habe ihn gern gelesen.

KurzbeschreibungAn epistolary crime novel from Dorothy L Sayers, creator of the classic Lord Peter Wimsey series - a must-read for fans of Agatha Christie's Poirot and Margery Allingham's *Campion Mysteries*, and introduced by author and journalist Libby Purves. The bed was broken and tilted grotesquely sideways. Harrison was sprawled over in a huddle of soiled blankets. His mouth was twisted . . . Harrison had been an expert on deadly mushrooms. How was it then that he had eaten a large quantity of death-dealing muscarine? Was it an accident? Suicide? Or murder? The documents in the case seemed to be a simple collection of love notes and letters home. But they concealed a clue to the brilliant murderer who baffled the best minds in London. 'She combined literary prose with powerful suspense, and it takes a rare talent to achieve that. A truly great storyteller' Minette Walters **Pressestimmen** Her books are English Literature at its best. Her plots are finely tuned and her Lord Peter Wimsey is delightful (The Times (letter)) She brought to the detective novel originality, intelligence, energy and wit. (P. D. James) I admire her novels . . . she has great fertility of invention, ingenuity and a wonderful eye for detail (Ruth Rendell) 'She combined literary prose with powerful suspense, and it takes a rare talent to achieve that. A truly great storyteller.' (Minette Walters) **Werbetext** The best of the golden age crime writers, praised by all the top modern writers in the field including P. D. James and Ruth Rendell, Dorothy L. Sayers created the immortal Lord Peter Wimsey. But in this thrilling murder story she tells her story instead through the letters of the victim and the suspects. With an introduction by Elizabeth George.
