KurzbeschreibungSunday Times Top Ten bestseller The Doll's House is the new twisting and terrifying thriller in the Detective Inspector Helen Grace series from M.J. Arlidge. Arlidge is the author of Eeny Meeny and Pop Goes the Weasel, and has been dubbed 'the new Jo Nesbo'. 'Detective Inspector Helen Grace is one of the greatest heroes to come along in years.' Jeffery Deaver, New York Times bestselling author of The Skin Collector and Solitude Creek 'The third instalment in the DI Grace series is as fast-paced and nail-bitingly tense as the first two. Taut and gripping, book four cannot come soon enough' Sun\*\*\*\*\*A young woman wakes up in a cold, dark cellar, with no idea how she got there or who her kidnapper is. So begins her terrible nightmare. Nearby, the body of another young woman is discovered buried on a remote beach. But the dead girl was never reported missing - her estranged family having received regular texts from her over the years. Someone has been keeping her alive from beyond the grave. For Detective Inspector Helen Grace it's chilling evidence that she's searching for a monster who is not just twisted but also clever and resourceful - a predator who's killed before. And as Helen struggles to understand the killer's motivation, she begins to realize that she's in a desperate race against time . . . PRAISE FOR M.J.
