Von Lindsay Buroker : The Dragon Blood Collection, Books 1-3 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dragon Blood Collection, Books 1-3 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
engaging fantasy adventureVon LinamaI enjoyed this collection a lot and will most definitely read the rest of the

books in this series. With regards to a few reviewers's complaints about some various incorrectness relating to physics, engineering and general technology, I freely admit that I don't read books like these for the correct scientific details but primarily for entertainment - which was thoroughly provided. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Nice Von Simone Ortner Nice Story, But i had Problems with the Kindle Edition. First Book was ok, second book only got me to half, than it always jumped to the home menu and i couldn't read it anymore. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Super spannend Von Margot Ich konnte es nicht weg legen. Super spannend und mit viel Fantasie geschrieben. Wirklich zu empfehlen. Hat dev. Einen Suchtfaktor

Kurzbeschreibung A thousand years have passed since a dragon has been seen in the world. Science and technology have replaced magic, which has dwindled until it has become little more than an element of myth and legend. There are those who still have dragon blood flowing through their veins, distant descendants of the mighty creatures of old. These rare humans have the power to cast magic, the power to heal, and the power to craft alchemical weapons capable of starting wars or ending them. But they are feared for those powers, and in recent centuries, they have been hunted nearly to extinction. The few remaining survivors must find a way to change how humanity perceives them or be lost to the world forever. The Dragon Blood Collection includes three full-length novels of action, magic, and romance: *Balanced on the Blades*, *Edge*, *Deathmaker*, *Blood Charged*.
