Von Katharine Kerr : The Dragon Revenant (Deverry) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dragon Revenant (Deverry):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Great

continuation of the series! Von Ein Kunde Overseas readers who don't want to own two copies should know this book also appears under the title 'Dragonspell: The Southern Seas', Volume IV in the Deverry Series from HarperCollins Publishers. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not terrible, but Kerr can do way better... Von Dan Dean Fans of Deverry might want to give me a beating here, but in my opinion- Kerr is definitely capable of better stuff. Until I got to this book, everything she put out amazed me. I even gave Bristling Wood 5 stars. Through out Dragon Revenant there were some traces of the Katherine Kerr I know and love- especially in the beginning and the end, but the middle (the entire portion that involved Rhodry as a slave) bored me and dragged out for way too long. I kept waiting for Kerr to erupt into one of her trademark flashback sequences- but was left hanging. I respect the possibility that maybe she was bored of doing this, but I still want to know how the Silver Dagger group's origin story turns out- a tale left unfinished from the middle of the last book. I have a confession to make... Halfway through, I quite frankly gave up on this book and went on to read twelve other books. But for the first time in my life I resumed reading a book I had given up on- This was solely because of how much I enjoyed her first three books, and my hope that the next few would be up to her usual par. A few things did impress me here though. Salamander- a very interesting character is fleshed out for the first time. Kerr's dialogue and Deverry's culture give her works a wonderful feel. I would have enjoyed a grander resolution between Rhodry and his brother/enemy Rhys, but the ending made the book worth while with several surprises and a very neat closure to the whole series. Or was this just a bridge? On to Omens and Exile for the answers I go. And I can't wait to get to Dragon Mage since I previewed the first chapter- looks exciting! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A good all around fantasy Von Sokalkeep@yahoo.com I read this book over the summer and enjoyed it very much. The three main characters; Jill, Rhodry, and the wizard, are very well developed. I was moved to the point of being disgusted with Rhodry's self centeredness and self absorbed behavior typical of a spoiled monarch's son. He is the only survivor of his older siblings and becomes only heir to the throne, but there is a plot afoot to get rid of him and start a war that will devastate the people of Deverry. Then there is the wizard who is responsible for the deaths of Rhodry and Jill in their previous lives and wants to correct it. Reincarnation and other beliefs are expressed in this book and make it more interesting. Half of the book describes Rhodry's exile and captivity arranged by his captors until Jill and the wizard come to rescue him and the book then goes into describing their escape. It is slow moving at times, but has a very good ending. I would recommend this book to anyone interested in fantasy.

Kurzbeschreibung For years the provinces of Deverry have been in turmoil; now the conflict escalates with the kidnapping of Rhodry Maelwaedd, heir to the throne of Aberwyn. Intent on rescuing him, his beloved Jill and the elven wizard Salamander infiltrate the distant land of Bardex, where Rhodry is held captive. Tied to Deverry by obligation and circumstance, the immortal wizard Nevyn begins to see that all the kingdom's problems can be traced to a single source: a master of dark magics, backed by a network of evil that stretches across the sea. Now Nevyn understands that he too is being lured away to Bardek--and into a subtle, deadly trap designed especially for him. Katharine Kerr's novels of the Kingdom of Deverry unfold in a world of stunning richness and depth. Her vivid portrayal of characters caught in a complex web of fate and magic captures the imagination with a realism that few can match. Now she returns to this enchanted kingdom, where the wheels of destiny are turning anew. From the Paperback edition. Pressestimmen "No one does real, live, gritty Celtic fantasy better than Katharine Kerr." --Judith Tarr Kurzbeschreibung For years the provinces of Deverry have been in turmoil; now the conflict escalates with the kidnapping of Rhodry Maelwaedd, heir to the throne of Aberwyn.
