Fantastisch !!!!Von BcherwurmUm diese Reihe mal mit einem Wort zu umschreiben: "Bombastisch"Ich liebe die Dragon Reihe von G. A. Aiken !!!!Selten habe ich mich so gut amisiert wie beim lesen und hren (die habe ich auch als Hrbcher da diese es wert sind)dieser Bcher.Sie sind sehr Humorvoll auf eine derbe Art geschrieben, bei der man einfach laut loslachen muss !!!Ich habe alle Bcher verschlungen und sogar meistens bis spt in die Nacht gelesen (sogar auf meine Serien habe ich verzichtet um weiterlesen zu knnen) und das heit schon mal bis 3 Uhr morgens.Wenn es nach mir geht knnte diese Reihe niemals enden, ich wrde die Bcher immer weiter kaufen.Hier muss ich noch sagen, dass wirklich alle Bnde gleich gut sind. Es gibt keinen Band den ich als schlechter bezeichnen wrde.Stelle ich jedes Band auf ein Podest so sind diese alle auf der 1.Ich kann nur jedem empfehlen sieh diese Reihe zu kaufen. Sie sind es echt wert !!!!Ihr werden jede Menge Spa beim lesen haben und es nicht bereuen.Allerdings ist hier zu sagen das diese Bcher fr Erwachsenen sind und nichts fr Kinder !!!!KAUFEN, ihr werdet es nicht bereuen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Here go Rhona the Fearless and Vigholf the AbhorrentVon SchmackenwerffThe war of the fire-breathing and the lightning dragons against the Iron dragons of the west is in its fifth year, when Rhona and Vigholf set out to escort Princess Keita back to Dark Plains. But then they learn that the human queen of Dark Plains, Annwyl the Bloody, disappeared in the west. In a desperate struggle to get Annwyl back to her armies in time to motivate her men for a last stand, Rhona and Vigholf go after her. On their way, Vigholfs Lightning kindles an unexpected fire in Rhona and together they change the course of the war.3 von 4 Kunden fanden die folgende Rezension hilfreich. Great,but not perfectVon MudaluThe Dragon Who Loved MeAfter I did read the first four books in about a 2 weeks I was desperate for number 5. And so last two days it was dragon time and I loved it again. All known chars in action (though i missed some more of Berci),a new couple, where a macho-dragon has to learn something about femals (seems to me Northlanders have a knock on She-dragons from the south -- first Keita,now Rhona) and a good ending. I dislike one thing: Why all this hammering on poor ibhear? I hope he will find his luck in the north one day.When it seems i'm getting to involved with the chars - it only seems so. :)

KurzbeschreibungI was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do bestdestroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways. . ."Sexy and outrageous humor." --Romantic TimesKurzbeschreibungI was raised for battle.
