**Von Jack Campbell : The Dragons of Dorcastle (The Pillars of Reality Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dragons of Dorcastle (The Pillars of Reality Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fesselnde neue Serie eines meiner LieblingsautorenVon Kindle-KundeDie neue Serie finde ich auergewhnlich in ihrer Anlage. Die Charaktere sind stark gezeichnet, die inneren Dialog im Wechsel mit der Handlung lassen den Leser intensiv am Geschehen teilhaben.0 von 0 Kunden fanden die folgende Rezension hilfreich. What are you going to do

when everything you've been thought appears to be a lie? Von Strawberrygeek3,5 the second book is gonna be so awesome stars for this intriguing piece of work I received a free copy from Netgally in exchange for an honest review. Alain, a boy from the Mages Guild is on his first contract protecting a caravan when they are ambushed by heavily armed men. He manages to escape with a girl from the Mechanics Guild, Mari. Something like that is unheard of. The Mages and the Mechanics Guild loath one another and tell their apprentices only negative things about the other Guild. While trying to make it alive into the next city Mari and Alain discover that maybe not everything they have been taught about each other is the truth. Although they managed to escape whoever attacked the caravan the danger isn't over yet and they meet again under dire circumstances. The two young Guild members develop a tentative friendship and together they discover that something is very wrong with how things are. The clash of the two different world view of Mari and Alain, the slow building relationship, the step by step unraveling of the truth. I really enjoyed those things. The plot is interesting and promising so far and I'm excited to read the second book of the trilogy. The fantasy world is interesting and I really like the sort of steampunk touch the Mechanics Guild has. Now, you may wonder why my rating is only three and a half stars if I enjoyed it. Well, that was mostly because I felt it at times really repetitive, especially when it was Mari's POV. I can understand that it takes a while to get over prejudices, but that was nonetheless the feeling I got and it was near impossible to ignore all those scenes. It got to the point of being really annoying, like "Yeah, girl, I know that you said it for the like 30th time already, I get it". 0 von 0 Kunden fanden die folgende Rezension hilfreich. Die Mechanikerin und der Magier: eine Screwball-Comedy Von Walter Ein spannendes und unterhaltsames Buch von einem Autor, der sein Handwerk versteht. Was diesem Buch aber einen besonderen Reiz verleiht ist die Screwball-Comedy-artige Beziehungskiste der beiden Protagonisten: die Mechanikerin und der Magier, die sich eigentlich hassen sollten, sich aber irgendwie mgen und das nur so in Worte fassen knnen, das es der andere immer irgendwie missversteht. Kstlich. Wird interessant sein zu sehen, ob dieser Reiz auch nach Aufklrung der Umstnde in den Folge-Bchern bleibt.

Kurzbeschreibung The first book in a thrilling new epic fantasy saga by Jack Campbell, the New York Times best-selling author of The Lost Fleet series! For centuries, the two Great Guilds have controlled the world of Dematr. The Mechanics and the Mages have been bitter rivals, agreeing only on the need to keep the world they rule from changing. But now a Storm approaches, one that could sweep away everything that humans have built. Only one person has any chance of uniting enough of the world behind her to stop the Storm, but the Great Guilds and many others will stop at nothing to defeat her. Mari is a brilliant young Mechanic, just out of the Guild Halls, where she has spent most of her life learning how to run the steam locomotives and other devices of her Guild. Alain is the youngest Mage ever to learn how to change the world he sees with the power of his mind. Each has been taught that the works of the other's Guild are frauds. But when their caravan is destroyed, they begin to discover how much has been kept from them. As they survive danger after danger, Alain discovers what Mari doesn't know that she was long ago prophesized as the only one who can save their world. When Mari reawakens emotions he had been taught to deny, Alain realizes he must sacrifice everything to save her. Mari, fighting her own feelings, discovers that only together can she and Alain hope to stay alive and overcome the Dragons of Dorcastle.
