The setting takes you right to Maui and although I have never been there, Kim gives me a really good idea of what it's like. The story has unexpected turns and you're never sure where it takes you next. I stayed up way too late reading this.1 von 1 Kunden fanden die folgende Rezension hilfreich. Fantastic!!!Von SophieI absolutely loved the book! Great story with unexpected turns. Beautifully written! Makes me want to go back to Maui and definitely book my next diving lesson there, too.

KurzbeschreibungAMAZON #1 BestsellerOne person is an impostor, one is a traitor and one is flirting with insanity.Set against the lush backdrop of Maui, a man has gone missing and his wife can't move on without proof that he's dead. Tina Greene is a Lahaina dive shop owner now afraid of the ocean and when debilitating dreams of her husband blur the line between reality and dream life, Tina questions her sanity. When a former boyfriend, Jamey, offers help, she can't believe his preposterous claim -- he can enter dreams. Tina's friend and confidante, Noble, cautions against intervention from a man she no longer trusts but as the mystery unravels, lies, and heartbreak rise to the ugly surface to give rise to something no one saw coming.
