Von Elaine Cunningham : The Dream Spheres: Songs Swords, Book V: Forgotten Realms S (Song Swords) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dream Spheres:

Songs Swords, Book V: Forgotten Realms S (Song Swords):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. What deadly webs we weave...Von Christopher J. Cavallo"The Dream Spheres" find us once again embroiled in the intrigues of Waterdhavian society, and who resides in the eye of this tempest? Of course, Danilo Thann, Arilyn Moonblade, and Elaith Craulnober. Elaine uses this book to delve deeper into the ugly underside of the Waterdhavian nobles, and their mercantile endeavors. As always, Mrs. Cunningham displays her wonderful gift for developing and "growing" characters, the development of all three of the previously mentioned players is completely natural--especially if you have the luxury of witnessing it over the course of her other titles (Elfshadow, Elfsong, Silver Shadows, Thornhold). As a previous reviewer stated, they felt too many "side characters" graced the tale; I disagree completely. These characters were important to the overall intrigue of the tale, additionally, several of the roles would then have to be filled by miscellaneous new and unknown characters; is it not better to have an emotional investment in those characters that appear, and to know what they entail? I would, however, be lacking if I failed to lend criticism on the following point, I must say the final encounter with the master behind all the ugliness was less than I'd hoped for. I would have liked to see a grander, less swift wrapping-up of things. But again, she leaves us in the prime location for another riveting tale...On to Tethyr!2 von 2 Kunden fanden die folgende Rezension hilfreich. Not the best of the series, but one truly good book!Von Ein KundeFinally, Arilyn, Danilo and Elaith are back. I was not disappointed. Elaine Cunningham's novels often evolve around mystery, intrigue and plotting, and this one is no exception. The plot is very deep and complex and will grab the reader's attention. We finally see the relationship between Dan and Arilyn evolve (although I must confess I preferred it when they were bickering in Elfshadow, hehe), and The Serpent is back, so we can expect some exciting events ^_^ . I was thrilled with the development of Elaith's character, especially near the end. The addition of Thornhold characters was a good idea too (so reading it isn't recommended unless you read Thornhold, as well as the previous books with Arilyn and Danilo obviously). A sequel to this novel is needed. How about bringing back Lucia Thione, and showing how Elaith prevails with the forest elves? }=)1 von 1 Kunden fanden die folgende Rezension hilfreich. A truly enjoyable Arilyn and Danilo story--more please!!!Von Ein Kunde"Dream Spheres" is a true triumph--for Elaine Cunningham and for her characters. I found their continuing development to be the true highlight of the story, though the plot was quite gripping as well. I enjoyed the focus on Danilo's family--something previously only hinted at. Perhaps my only criticism comes with the inclusion of Bronwyn and Ebenezer. Though I enjoyed "Thornhold" as well, I felt that their presence beyond the initial meeting at the Curious Past was a little too much. Nevertheless, I do understand how they fit into the plot, and am content. I eagerly await the next installment of Arilyn and Danilo--after all, the full extent of the war in Tethyr has yet to be explored (as summarized in the "Lands of Intrigue" boxed set). Thank you again Mrs. Cunningham--I can't wait for your next work!

KurzbeschreibungElaine Cunningham returns to the City of Splendors and the characters that made her one of the most popular authors of the Forgotten Realms>Welcome to Waterdeep: Here, everything imaginable is for sale. Even dreams can be purchased if one is willing to pay the price. So when the sale of dream spheres threatens the life of his newfound half sister, Danilo Thann joins forces with Arilyn Moonblade to uncover the source of this deadly trade. Their search leads them into the dark heart of Waterdeep, and to personal secrets that could destroy them both.KurzbeschreibungElaine Cunningham returns to the City of Splendors and the characters that made her one of the most popular authors of the Forgotten Realms>Welcome to Waterdeep: Here, everything imaginable is for sale.
