Von Barbara Delinsky : The Dream Unfolds (Crosslyn Rise Trilogy) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dream Unfolds (Crosslyn Rise Trilogy) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Delinsky is a great writer Von Ein Kunde I really enjoyed this continuation of "The Dream", although I could have used a little bit more information about the hero and heroine from the previous book. However, I soon became wrapped up in the

lives of the hero and heroine of this book because Ms. Delinsky is wonderful at giving descriptive details of where the characters are and what they are feeling. The only thing that bothered me was that it seemed Gideon fell in love with Chris so quickly. One minute he can't stand her, and the next minute he is begging to spend time with her. But it was a sweet story and I really did enjoy it. I recommend it to everyone.

Kurzbeschreibung Available for the first time in ebook, Barbara Delinsky's beloved Crosslyn Rise series, *The Dream*, *The Dream Unfolds*, and *The Dream Comes True*, consists of three sets of love stories. While there's no texting and no Google, there is great conflict. And great sex. Sometimes building a home can become a labor of love . . . As *The Dream Unfolds*, the building begins. As part of the consortium, Gideon Lowe has invested every last nickel to help save Crosslyn Rise. He knows how to keep his projects on time and on budget and his crew focused - until Christine Gillette shows up. Christine is the project's interior designer. Independent and self-contained, she finds Gideon intimidating to the extreme. Talk about focus? He homes in on her and doesn't let up. But Christine has responsibilities, fears and a secret that will take readers by surprise. For fans of Diane Chamberlain, Jill Shalvis and Marie Force, *The Dream Unfolds* is a love story between two people who thought they had everything they wanted . . . until they start to need each other.
