Von Muriel Spark : The Driver's Seat (New Directions Bibelot) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Driver's Seat (New Directions Bibelot):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Is this Spark's most disturbing metafictionVon Andrew CooleyFrom the start of this story it is clear that the protagonist - Lise (pronounced Lees, or Lies?) - is living in a fantasy.The foreshadowing, sometimes subtle sometimes obvious, allows Spark to play around with the genres of the thriller, the detective story and the holiday romance. But it is in the self-

consciously deliberate way that Muriel Spark at the same time obscures and reveals Lise to us that the genius of the author is demonstrated. It's not a happy holiday read, it is an addictive and provocative story, told with considerable narrative skill. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Spark at her best! Von Ein Kunde This is one of my all-time favourites. From the very beginning it is clear that there's definitely something wrong with the main character of this book. Very disturbing, yet irresistible.

KurzbeschreibungThe Drivers Seat, Sparks own favorite among her many novels, was hailed by the New Yorker as her spiny and treacherous masterpiece. Driven mad by an office job, Lise flies south on holiday in search of passionate adventure and sex. In this metaphysical shocker, infinity and eternity attend Lises last terrible day in the unnamed southern city that is her final destination. **Pressestimmen**The Driver's Seat is a scalpel, cutting away the excess of the traditional novel and leaving only the core. It is a stiletto, piercing straight to the heart - or thereabouts (John Self) **Kurzbeschreibung**The Drivers Seat, Sparks own favorite among her many novels, was hailed by the New Yorker as her spiny and treacherous masterpiece. Driven mad by an office job, Lise flies south on holiday in search of passionate adventure and sex. In this metaphysical shocker, infinity and eternity attend Lises last terrible day in the unnamed southern city that is her final destination.
