**Von Markus Heitz : The Dwarves: 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dwarves: 1:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. review for school class 10Von KatrinnirtakThe Dwarves from Markus Heitz is a novel about the life of dwarves, which is based on Lord of the Ring from J. R. R. Tolkin.The hero of this novel is Tungdil Bolofar a dwarf which grow up in a

Kingdom of Humans. His master Lot-Ionan gave him a mission, and Tungdil's journey began. He meets different kinds of characters and he finds some friends, which support him on the way to kill the dark force. Heitz creates an exciting and interesting story in a fantastic world. It is a big novel with more than 600 pages, so sometimes it is a bit boring and foreseeable, some chapters are needless. There are too many missions which are looking impossible, so in some parts it is like a tale, with a happy end. Nevertheless, the author creates often an exciting atmosphere. Overall it is a very interesting novel, with many different aspects: war, fight, friends, love etc. A good beginning for the following novels. 0 von 10 Kunden fanden die folgende Rezension hilfreich. reine Abenteuer Von K. N. Thomas Die Welt ist typisch Tolkien, leider sind die Figuren oberflächlich. Wer mag Zwerge findet vielleicht genug sich zu unterhalten. Im Vergleich mit Game of Thrones ist es lächerlich.

**Kurzbeschreibung** For countless millennia, no man or beast has ever succeeded in breaching the stone gateway into Girdlegard. Until now . . . Abandoned as a child, Tungdil the blacksmith is the only dwarf in a kingdom of men. But when he is sent out into the world to deliver a message and acquaint himself with his people, the young foundling finds himself thrust into a battle for which he has not been trained. Not only his own safety, but the life of every man, woman and child in Girdlegard depends upon his ability to embrace his heritage. Although he has many unanswered questions, Tungdil is certain of one thing: no matter where he was raised, he is a true dwarf. And no one has ever questioned the courage of the Dwarves. **Werbetext** The international bestselling fantasy epic now available in English for the first time. **Kurzbeschreibung** For countless millennia, no man or beast has ever succeeded in breaching the stone gateway into Girdlegard.
