Look forward to the next. Could not put it down.0 von 0 Kunden fanden die folgende Rezension hilfreich. Better and betterVon ReaderBook number 8

is a a great mixture of politics, policing and passion flavoured with Brunos cooking. Martin Walkers stories just get better and better. 3 von 3 Kunden fanden die folgende Rezension hilfreich. so much unnecessary information Von Dr. N.E This book though interesting at the beginning, it had so much unnecessary Information which is not connected to the other, I had to be skipping pages to continue with the story, I would recommend with caution

KurzbeschreibungThe Dordogne town of St Denis may be picturesque and sleepy, but it has more than its fair share of mysteries, as Bruno knows all too well. But when Bruno is invited to the 90th birthday of a powerful local patriarch - a war hero with high-level political connections in France, Russia and Israel - he encounters a family with more secrets than even he had imagined. When one of the other guests is found dead the next morning and the family try to cover it up, Bruno knows it's his duty to prevent the victim from becoming just another skeleton in their closet. Even if his digging reveals things Bruno himself would rather keep buried. Meanwhile, very modern battles are being fought in St Denis between hunters defending their traditions and environmentalists protecting local wildlife. Neither side, it seems, is above the use of violent tactics. At the centre of it all, Bruno must use all his cunning and character to protect his community's future from its present - and its past.
PressestimmenWalker is brilliant at capturing the murderous charms of rural France . . . the setting is undeniably delicious (Mirror)The Bruno series . . . is highly assured, full of quirky touches and characterised with real exuberance (Good Book Guide)
WerbetextThe Dordogne village of St Denis is tearing itself apart. Can Bruno, chef de police, keep it together in this gripping new crime novel?
