I agree....BORING!Von Ein KundeThe only thing good about this book was the very first chapter and because of that chapter, I thought the book was going to be a page turner. I was completely misled. This book was totally boring. It did not reach me at an emotional level at all. I did not find any part of this book exciting in the least and at times, I had to force myself not to put it down and never pick it back up because the author babbled on about stupid stuff. I had looked forward to reading this book and am sorry to say that I was very dissapointed. I would have to be desperate to pick up another by this author.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book has a sizzling undercurrent!Von Ein KundeI liked the book pretty well. The characters were great. The plot wasn't especially good. The undercurrent between the hero and the heroine was superb. All the way through the book, I could feel it. I thought the beginning and middle were the best parts. Then when the end comes, it's like is this it. No wonderful ending. Although, I did learn something about the time period. The ritual about the bathing were interesting. All in all, it was a good book. Not as great as her other books. Try reading it and see what you think. email me and tell me what you think @ torey_music@yahoo.com0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't be fooled by the synopsis. This is rich and powerful!Von Ein KundeI have to admit that when I first started this book, I wasn't sure of it. It starts with this love slave concept and the assumptions of the Arabic culture being pressed on Sarita. But you have to keep reading it. This story is rich in its details about this culture and treats differences between cultures rather well, I thought. It becomes a powerful love story that goes well beyond what the synopsis of the book offers. Once I got to the half way point, I couldn't put this one down.

Kurzbeschreibung An Imperious CaptorHeading a thundering cavalcade of richly dressed Moorish soldiers, Lord Hassan commands attention with just one glance from his deep black eyes. And with one look, he knew that he had to have the chestnut-haired beauty who returned his stare with such bold, sensual defiance. A Willful Captive Fascinated by the enigmatic horseman, spirited Sarita is swept up by the arrogant stranger and carried off to his mountaintop palace. Enslaved to this mighty lord, Sarita's untamed and passionate nature swiftly makes a prisoner of Hassan's yearning heart. But their powerful love could topple a vast empire... and in doing so, endanger the future of this destined pair.Kurzbeschreibung An Imperious CaptorHeading a thundering cavalcade of richly dressed Moorish soldiers, Lord Hassan commands attention with just one glance from his deep black eyes.
