Von Donna Lea Simpson : The Earl of Hearts (Classic Regency Romances Book 7) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Earl of Hearts (Classic Regency Romances Book 7) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Sympathische "Die Schne und das Biest"-VariationVon VioIch habe schon viele Romanzen gelesen, die sich an das französische Volksmärchen "Die Schne und das Biest" orientieren und gebe zu, dass ich Geschichten, in denen sich die Liebenden über Uerlichkeiten hinwegsetzten, immer wieder gerne lese. Bis die beiden Hauptprotagonisten in der Novelle "The Earl of Hearts" so weit sind, über Uerlichkeiten hinwegzusehen, ist es allerdings ein langer Weg. Lord Hartley Kentigern hat als junger Mann nur knapp eine verheerende Feuerbrunst erlebt, die seinen Vater und seinen jüngeren Bruder das Leben gekostet und sein Heim verwüstet hat. Da er durch das Feuer schwere Verletzungen erlitten und Narben zurückbehalten hat, empfindet er sich selbst als abscheulich und hat sich weitgehend aus der Gesellschaft zurückgezogen, um nicht ständig angegriffen zu werden. Auch seine Verlobte Melony Ferramond hat er nach dem schrecklichen Ereignis verloren. Melony Ferramond war zum Zeitpunkt des Unglücks erst 17 Jahre alt und hat einfach aufgegeben. 11 Jahre später gilt sie als alter Jungfer, die sich nicht dazu durchringen konnte, ihr Herz einem anderen Mann zu schenken. Das weiß auch Hartleys Schwester, die die beiden zu einem Maskenball einlädt, damit sie sich endlich wiedertreffen und aussprechen können. Doch das Treffen verläuft anders als geplant, Hartley strmt erzürnt aus dem Ballsaal und lässt Melony verzweifelt zurück. Die Novelle von Donna Lea Simpson ist eine so Geschichte um die Kraft und Langlebigkeit der Liebe. Ich mochte sowohl Held, als auch Heldin des Buches, ebenso wie die wichtigste Nebenfigur, Hartleys Schwester. Die Geschichte enthält die richtige Mischung aus Herzschmerz und Leidenschaft, ist einfach zu lesen und einfach sympathisch.

KurzbeschreibungFrom the author of Noel's Wish comes a Regency short story celebrating the witty and romantic world made popular by Georgette Heyer. When Melony Farramonds betrothed was disfigured in a horrific fire eleven years ago, she succumbed to her fears and terminated the engagement, unable to face the prospect of a long life with a crippled monster. Now a lonely spinster, she is overcome by regret and wishes only to see him one more time, so that they might both put the past behind them. Lord Hartley Kentigern was badly scarred in the fire that took the lives of his father and younger brother, and the tragedy became unbearable when his fiancée broke off their engagement soon after. Sinking deeper and deeper into a morass of cynicism and bitterness and haunted by a rejection he can never excuse, he now lives a solitary life on his estate, resigned to enjoying only fleeting comforts in the arms of an occasional willing woman. With the annual Valentine masquerade ball approaching, Hartley's concerned sister hatches a scheme to bring Melony and her brother together once more, in a final effort to force him to confront his demons. It's a plan that could backfire and reopen the most painful of wounds, or be the one chance Hartley and Melony have to forgive both each other and themselves and rediscover the love they were meant to share. This novella was originally published under the title Valentine Dreams. About the Author: Donna Lea Simpson is a nationally bestselling romance and mystery novelist with over twenty titles published in the last eleven years. Besides writing romance and mystery novels and reading the same, Donna has a long list of passions: cats and tea, cooking and vintage cookware, cross-stitching and watercolor painting among them. She lives in Canada. KurzbeschreibungFrom the author of Noel's Wish comes a Regency short story celebrating the witty and romantic world made popular by Georgette Heyer.
