Von Anne Mallory : The Earl of Her Dreams before purchasing it in order to gage whether or not it would be worth my time, and all praised The Earl of Her Dreams:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. MittelmigVon Anna D.Kate versucht einer ungewollten Heirat zu entgehen und fristet ihre Zeit (als Junge verkleidet) in einem Gasthaus, bis sie ihren Anwalt treffen kann. Da das Gasthaus voll besetzt ist muss sie sich ein Zimmer mit Christian Black, in Wirklichkeit der Earl of Canley, teilen. Als ein Mord im Gasthaus geschieht beginnen die beiden gemeinsam den Vorfall zu ermitteln.Das einzig interessante an der Geschichte waren die Ermittlungen bezglich des Mordes.Von einem 'Romance' Buch kann man hier nicht wirklich sprechen. In den ersten 2/3 des Buches kommt es noch nicht einmal zu einem Kuss. Und auch danach liegt das Augenmerk nicht wirklich auf der Beziehung der beiden.Die Figuren sind, wie ihre Beziehung, eher seicht und nicht wirklich fesselnd.Wenn man ein Buch von Anne

Mallory lesen möchte würde ich 'Three nights of sin' empfehlen.

Kurzbeschreibung Facing the choice of flight or a wedding she cannot abide, Kate Simon has chosen to flee. Disguised as a boy, she takes refuge in a roadside inn, and finds herself rooming with intensely secretive Christian Black. Kate is breathless in the presence of this handsome, mysterious rogue whose piercing gaze seems to strip her naked. But neither suspects that a savage storm and a murder will draw them closer together still. But not the passion in their hearts Christian dares not let anyone learn of his haunted past that he is, in truth, the Earl of Canley especially not a slip of a girl whose masculine attire cannot disguise the exquisite female form beneath. But now that destiny and a dastardly crime have united them, Christian can no longer contain his desire to taste the nectar of Kate's sweet kiss. Danger certainly abounds, but the gravest peril might be resisting a once-in-a-lifetime passion that can heal all wounds.
