Von Acadia Steele : The Edge and Beyond (Doms At The Edge (Book 1)) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Edge and Beyond (Doms At The Edge (Book 1)) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend bis zum Ende! Von Helltiger Tolle Einblicke in diesen Lebensstil. Sehr gut geschrieben und spannend bis zum glücklichen Ende. Es war schwierig, dieses Buch für notwendige Dinge (wie Essen und Schlafen oder gar Arbeit)

hinzulegen. Warte gespannt auf die Fortsetzung.

Kurzbeschreibung The Edge and Beyond started out as a single short story, but it ultimately grew into the book series Doms at the Edge. The characters you will come to love are in it for the long haul. They play in the BDSM clubs owned by Jackson Montgomery and wrestle with the many curves that life throws at them outside the clubs. Book 1 Metanonia Skylar Markham, City Librarian with secret dreams of being dominated is let out of her emotional cage by Hunter Zane, who puts her under contract as his submissive assistant in his Dom Mentoring Program. His conscience is already on overload because of the wife he buried in Afghanistan, and the last thing he wants is to love again. Skylars greatest survival tool is self control, born out of past pain. Can he love her enough to save her when she falls into the hands of a criminal sadist? Can she love herself enough to let him? Rasavada Trisha Gary escaped from the Community when she was thirteen, but she took her nightmares of sinful cleansing with her. Jackson Montgomery, owner of Edge of Darkness took on the responsibility of proving to her that one doesnt go to hell for enjoying pleasure. He opened her world, and he opened her body, and she was doing beautifully, until Quinton Davis, self-appointed confessor for the Community was paroled. Love is Our Safe Word Wyatt Gregor hadnt been able to save his sister, the women in the POW Camp, or Wren, the firefighter he planned to marry. One of the most powerful Doms at Beyond the Edge, he allows no one close. Kayleen Crystal, a widow who is seven months pregnant and still grieving her husband Joe, slips her sassy self under Wyatts radar. When she has a car accident that Wyatt feels responsible for he winds up her reluctant caregiver. In her head, she refers to him as The Asshole Dom. In his head hes constantly counting to ten and wondering if hes going to survive her punishing antics. He cant believe how erotically beautiful her pregnant body is. When Joes identical twin, Nick, surfaces, Kayleen learns the hard way that the identical is all on the surface. The clock is ticking, hard labor has started. Discovering the Dom Within Stryker Prescott, well-respected head of the K-9 program for the San Francisco Police Department had been divorced from Vicki for five years, and he didnt have a clue about what had gone wrong, until his good friend, Jackson Montgomery, owner of Edge of Darkness, told him that from where he sat that both Stryker and Vicki had been trying to wear the pants in the family. It took time in Hunter Zanes Dom Mentoring Program for Stryker to find himself. When he accidentally learns that Vicki is actually a submissive with walls of fear that have given her an illusion of dominance, he wants to help her. Could he get her to trust him enough to let go of her control and accept his dominance? Is there a second chance for them, or is all hope lost? Building Bridges of Trust Jacob Strong, wealthy investor, has land that Jackson Montgomery wants for a new club. Jackson has an enemy that is doing every illegal, sadistic thing he can to bring him down. When Jackson sweetens the pot in the real estate deal by cutting Jacob in as a silent partner for the new club, Jacob finds that the evil now stalks him too. The only thing that keeps him centered is a beautiful submissive named Sherilynn who shares his passion for Japanese Rope Bondage Shabari. Can Jacobs Shabari lessons save her, when evil gets its claws in her? ****Important Note**** These stories are meant for adults only, and have explicit content regarding BDSM that might be offensive to some. I do not suggest that they parrot real life. If you find something youre interested in trying educate yourself first, and then seek out reliable, professional advice and assistance.
