Von Stephanie Laurens : The Edge of Desire (Bastion Club) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Edge of Desire (Bastion Club):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Hunt for a murdererVon Helen HancoxWhat starts off as a rather slow book developed into something that was interesting and

enjoyable, if flawed in places. Lady Leticia Randall's husband is murdered and her brother Justin is the only suspect - he was at the house that evening and has fled the scene, leaving behind bloodstained clothing at his rooms. Yet Leticia knows Justin wouldn't have killed Randall and so she goes for help to one man she can trust, her former lover, Christian Allardyce, the 6th Marquess of Deane. Christian and Leticia's history is complicated. Everyone thought they would marry but twelve years before Christian went off to serve King and country and whilst he was away Leticia married Randall. They've barely seen each other since but Christian immediately comes to Leticia's aid. As they begin to search for clues to the murder they discover that Leticia really didn't know a great deal about her husband. As his private affairs are slowly unpicked Leticia and Christian find that he is a man of many secrets and that it will take more expertise than they have to get to the bottom of them. At the same time as the search for the truth of Randall's murderer, Christian has to try to convince Leticia to trust him and to come to see that her place is by his side. But if they get too close to the truth of the murderer, might they not be risking their own safety? This was a surprisingly long book and it moved quite slowly. The interest built step by step as the layers in the plot were brought to light. After the first few chapters the book settled into a rather uneasy format where we followed Christian and Leticia's murder investigation during the day and then spectated on their bedspout at night, then on to the next day. As the book made progress we spent more time on the investigation and less on the romance and this was rather an improvement. As far as the romance side went, it was understated in some ways as it was a rekindling of love between people who had been incredibly close in their past. The characterisation of both Christian and Leticia was sparse at times - Leticia has a temper, we learn, and Christian is very controlled and calm, but this reader never felt like she really got to know them. Although I did enjoy this book I was rather dubious about some of the behaviour of the main characters in that historical context. The lead couple spending pretty much every night in bed in each others' houses, with Lady Randall a widow of just a few days and still theoretically in deep mourning, felt rather too unlikely. Where were all the servants in a Marquess's house who would normally have noticed this kind of thing. It appeared necessary for Laurens' romance side of the plot but it all felt a bit too modern for the Regency period. Despite this the rest of the book was a good read and I didn't guess the murderer until the end when they were revealed. Although part of a series this book worked well on its own and set up the reader for the next and last in the series, featuring Royce Dalziel. Originally published for Curled Up With A Good Book Helen Hancox 20081 von 1 Kunden fanden die folgende Rezension hilfreich. naja Von Falk Stefanie also, es ist anfangs fast zu viel an erotischen szenen, und zwischendrin schlft die story (ja, es ist eine story bezogen auf einen mordfall enthalten) ziemlich ein. deshalb habe ich das buch auch noch nicht fertig und werde wohl noch lnger dran lesen. auch ist nicht wirklich viel "drama" zu spren

Kurzbeschreibung In the special edition of #1 New York Times bestselling author Stephanie Laurens' *The Edge of Desire*, receive a free bonus excerpt from her new book, *The Lady Risks All*, available wherever books are sold September 25th! In *The Edge of Desire*, they proved their bravery fighting for His Majesty's Secret Service and were rewarded with brides of great beauty and breeding. But one member of the Bastion Club has remained a bachelor . . . until now. "Christian, I need your help. There is no one else I can turn to . . . L." When Christian Allardyce, 6th Marquess of Dearne, reads those words, his world turns upside down. Lady Letitia Randall is a woman like no other, and the day he left her behind to fight for king and country was the most difficult of his life. He never forgot the feel of her lips against his, but never expects to see her again. Yet now she seeks his help, and Christian knows he will not resist her plea. Letitia believes that Christian abandoned her when she needed him most, and she hates to call on his aid. But to clear her brother's name, she has sworn to use every weapon at her command, even if it means seducing her ex-lover. Yet all the while, Christian is waging a war of his own a campaign of pure pleasure and sweet revenge that will take them both beyond *The Edge of Desire*.
