Von Vita Sackville-West : The Edwardians (Vintage Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Edwardians (Vintage Classics):

Kurzbeschreibung WITH AN INTRODUCTION BY KATE WILLIAMS Sebastian is young, handsome and romantic, the heir to a vast and beautiful English country estate. He is a fixed feature in the eternal round of lavish parties, intrigues and traditions at the cold, decadent heart of Edwardian high society. Everyone knows the role he must play, but Sebastian isn't sure he wants the part. Position, privilege and wealth are his, if he can resist the lure of a brave new world. Pressestimmen Fascinating. . . . It carries strong shades of Downton Abbey in its look at a proudly static world forced into change. Boston Globe Werbetext A glittering portrait of fashionable Edwardian high society, seen through the lives of a brother and sister torn between their ties to the past and the lure of the modern era
