Von Bernhard Hennen, James A. Sullivan : The Elven (The Saga of the Elven Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Elven (The Saga of the Elven Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 3 Kunden fanden die folgende Rezension hilfreich. Genauso gut wie die deutsche VersionVon Johann JohnIch hab soooo viele Jahre auf die englische Version gewartet, bis sie letztendlich rausgekommen ist. Ich habe eine Freundin aus Australien der ich so von den Elfen vor geschwaermt habe. Nun war es das ideale Weihnachtsgeschaenk und sie ist jetzt durch. Ich hab mit ihr Passagen zusammen gelesen und

nun will ich auch wieder von vorne mit dieser tollen Reihe anfangen. Die Übersetzung ist genial. All die schönen Umschreibungen die Bernhard Hennen in der deutschen Version ausschmückt, finden sich auch hier wieder. Es ist nun schon ein paar Jahre her, dass ich das letzte mal die Elfen gelesen habe, aber ich bin genauso gefesselt gewesen wie zu jeder schönen Zeit, als mir Bernhard Hennen die Welt zur Fantasy geöffnet hat! Meine Partnerin hatte lange keine Fantasy mehr gelesen und ich konnte sie überreden wieder anzufangen. Und sie liebte es sooo sehr, dass sie mit ihren paar Broken deutsch jetzt das 2. Buch lesen will. BITTE BITTE die weiteren Bücher auch in dieser Qualität übersetzen! Vielen Dank für die Möglichkeit dieses tolle Buch mit meiner Partnerin zu teilen. *****english commend***** This book is amazing! You have to read it. I read this book in German and I wanted to share it with my English speaking partner for such a long time. It's weird that this book was available in so many languages but not in English. With this book, I started to really love fantasy. From there on I read many many books and this book always stayed my number one since it got replaced through another book from this amazing author (the book's called "Dracheneifen"). Unfortunately "The Elven" is the only English book yet, but I am sure all the other fantastic books will be translated in English soon, too. I read parts of this book with my partner and the English translation is just splendid. I don't like books where there is an evil character and you don't just know why this character is like this. Sometimes you know why this character is evil and you think all he/she does is so bad. But reading The Elven and all the other parts just in German released yet, hands you an evil side and first you think, that's so evil...again. But after reading the evil parts stories in all the other books, you realise, there is just no other way for them to be like this and you can actually relate!!! And suddenly it's not evil anymore. Of course just if you can understand :)
