Von Ruth Clementson This book- The Emerald Isle- is indeed my favorite book above all three of the preceding books in The Heirs of Cahira Series. After Kathleen O'Connor has faithfully recorded the lives of three previous O'Connors, each who left traditional roles to follow the paths God

ordained for each of them- each two hundred years apart, Kathleen herself must fulfill her own destiny. Her good friend, Taylor Morgan is now engaged, and is dragging Kathleen off to Ireland for the wedding. There, Kathleen finally grows into the role to which God has called her, though kicking and screaming. Entwined with Kathleen's story is the story of the first O'Connor- Cahira, whose story is much better than Romeo and Juliet! I never enjoyed a book so much in my entire life! I finished the 400 page book in 4 hours- in one sitting. I couldn't put it down! It was very satisfying, had a great plot, and awesome description, as always. By the way- I have a delightful image of what Patrick, the character is like. You should read the book just to find out about him! Haha! Now I have you hanging!0 von 0 Kunden fanden die folgende Rezension hilfreich. This Series is Inspiring!Von Ein KundeThe lessons taught through each of the female characters in this series combine to reveal a most beautiful creation in the Lord--woman. Spiritual strength, creative joy, raw courage, responsibility, commitment, obedience, ingenuity, compassionate wisdom, all with a sense of humor. I loved the way this series ended! As always, there was wonderful spiritual counsel and wisdom all the way through this novel and the entire series.0 von 0 Kunden fanden die folgende Rezension hilfreich. Delightful Read!Von Ein KundeThe stories of Cahira and Kathleen are juxtaposed beautifully in this wonderful story of God's grace and sovereignty and people's shortcomings. A lovely story of Ireland, past and present. If you love Ireland, this is for you.

KurzbeschreibungInterweaving two captivating stories of romance and intrigue, humor and faith, The Emerald Isle wraps up the multi-colored threads of Angela Elwell Hunt's The Heirs of Cahira O'Connor series in a page-turning conclusion that will satisfy both spirit and heart.Resisting her confining, traditional role as a king's daughter, fiery-spirited Cahira O'Connor dreams of practicing her bow, not of capturing a husband. But when Norman invaders challenge the borders of the Kingdom of Connacht, Cahira finds both the one man who could win her heart and an irresistible calling to fight for the land and people she loves.To Kathleen O'Connor, the story of Cahira's deathbed vow was nothing more than a legend - until her research revealed that it was true. Now, in Ireland for the wedding of her best friend Taylor and his fiancée, Maddie O'Neil, Kathleen struggles to fit in at the O'Neils' farm, Ballyshannon, and focus on her research into the life of her ancestor Cahira.
