Von Samantha Carter : The Emergency Stand-By Date (Yours Truly) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Emergency Stand-By Date (Yours Truly):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Stand-by is a stand-outVon Ein KundeSamantha Carter writes about the tribulations of being single in a world where "buy one, get one free" is the norm. This is a fast paced read with a very contemporary feel. Jenny Forrest and Ken Parks rocket from one social date to another and neither is able to figure out how to make the transition from emergency stand-by to the real thing. No babies, no cowboys, and no runaway brides. But Carter still tells a fascinating story about two people who are right for each other, even though neither of them is willing to believe it. Way to go, Samantha Carter.

Kurzbeschreibung THE WORLD IS OUT TO GET SINGLE PEOPLE. Jenny Forrest is convinced of it. Solution: a nonsignificant other of the opposite sex relatively attractive, socially presentable, uninterested in a serious relationship as a ready-made date to act as the first line of defense against prying relatives, annoying exes and well-meaning matchmakers. Enter Ken Parks: Handsome, charming, and a love 'em and leave 'em kind of guy perfect emergency stand-by date material! Or so Jenny thinks, until she realizes that their kisses are anything but casual, and that the "friendly" gleam in his eyes promises forever.
