**Von Lindsay Buroker : The Emperor's Edge Collection (Books 1, 2, and 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Emperor's Edge Collection (Books 1, 2, and 3) (English Edition):

in one collection - and I loved every single one of it. A very diverse and highly unlikely crew of heroes try to thwart threats to the Empire and the Emperor, and go about this in a very unorthodox way. We have Amaranthe, a discredited enforcer trying to clear her name, Sicarius, an assassin, Moldynado, a nobleman disowned by his family, Books, an alcoholic, and Akstyr, a magician - oops! sorry, forgot there is no such thing as magic in the Empire! There is, however, as the reader will discover, more to and in them than appears on the surface. And there's Sespian, the young Emperor, who does not seem to be in charge of his own life (but does not play such a big role in the story so far). All of them are quite unique quirky characters, with a lot of traits, behaviours and attitudes which make the story and events unfolding very interesting, and may cause the odd grin or chuckle with the reader. We have a fast paced and very fluid narration style, with a lot of humorous elements, an up and down of tension which will make it difficult for the reader to put the book down. The odd spelling or grammar error occurring (something which usually annoys me if there are too many of them) are hardly noticeable. This is story-writing at its best! I cannot wait to put my hands on the rest of this series.

Mir ist der Plot irgendwann etwas flten gegangen, weil ich mich kaputt gelacht habe ber den Sarkasmus und allgemeinen Humor in diesem Buch. Trifft genau meinen und daher fr mich eine tolle Reihe! Kann ich nur empfehlen. Ein super schn geschriebenes Buch und ich werde mich definitiv auf die Suche nach mehr von der Autorin machen!

**Kurzbeschreibung** An enforcer wanted dead for crimes she didn't commit... An assassin wanted dead for crimes he did commit... Normally, they would be enemies, but they both seek the same thing: exoneration. Unfortunately, a nefarious underground organization is attempting to kill the one man who could grant it to them, the emperor. If they want to win their freedom, they'll have to battle powerful wizards, out-scheme master schemers, and defeat bloodthirsty monsters, all while dodging friendly fire and evading the law. Exoneration isn't easy. This boxed set includes the first three novels in this high fantasy adventure series: The Emperor's Edge, Dark Currents, Deadly Games. Each book is over 100,000 words.
