Von Victoria Alexander : The Emperor's New Clothes before purchasing it in order to gage whether or not it

would be worth my time, and all praised The Emperor's New Clothes:

Kurzbeschreibung#1 New York Times bestselling author Victoria Alexander spins the unforgettable story of a beautiful grifter and an irresistible mayor ...Mistaken for the Countess of Bridgewater, expert con artist Ophelia Kendrake can't believe her good fortune. This could be the opportunity she needs to secure the future of the sister who means so much to her. But when she meets Tyler "Tye" Matthews, her plans to dupe the sleepy town of Dead End, Wyoming, prove difficult for she's met her match in the wildly attractive mayor. As the reluctant new mayor of Dead End, Tye is irritated to learn his first duty in office is to escort a visiting countess. But when he sees the stunning beauty, he wants to spend every waking moment with her. Suspecting Ophelia has secrets, Tye vows to uncover them and thoroughly seduce her.
