Von Rosamunde Pilcher : The Empty House (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Empty House (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. For those who love the English country life... Von Karina A Suarez... but don't care about a good plotline, I should say. The book's only attraction is its description of farming and beaches and Cornwall's country life, but if you are looking for a good storyline, this is not it. This is the first book I read by this author because I saw the movie based on another of

her novels, "September" (which was charming). However, if you would like to start to know Rosamunde Pilcher's gifted pen do not start with this book because you will definitely think she's not good enough. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Just enjoy it anyway Von Ein Kunde But of course it is mushy - and vulgar at that! But why don't we just enjoy it anyway!?! After all, it is predictable and therefore undemanding like all Pilcher's books. Still, I wouldn't recommend it. If you have time for reading and relaxing, then you should rather take the longer Pilcher novels: September, The Shell Seekers, Coming Home and Witner Solstice. At least they are long enough for a thorough soaking in an unreal and comforting world of people who - unlike real life - in the end always experience fulfilled love and inherit a fortune just the right size for them at that. Wonderful, if you do not tend to get depressed by the comparison with your own gritty life ... 0 von 0 Kunden fanden die folgende Rezension hilfreich. My Favorite Pilcher Novella Von Ein Kunde I am in the process of reading all of Rosamunde Pilcher's books. This is the fifth of her "novellas" - short novels - that I have read. It is my favorite Pilcher book so far. It was an 'easy read' filled with cozy descriptions of English country life. I loved the plotline - a woman whose husband has died, and who has had a domineering mother and mother-in-law, has to find the courage to start life all over again, on her own. But, we know a romantic figure will enter and help her out once she gets this courage. This was the first Pilcher novella that I read that specifically dealt with English country farming life. It was charming and I hated it when I had to put the book down to do something else. A must-read for Pilcher fans!

Kurzbeschreibung Virginia Keile has a secret dream. To have a second chance at loving the tall, handsome Cornish farmer she met - and foolishly lost - the heady summer she was a debutante. Life has taught Virginia a great deal in twenty-seven years - about wedding a titled bachelor picked out by her mother, about a lonely marriage that ended in her husband's accidental death, and about nearly losing her children to her husband's mother and bossy Nanny. Now she has come back to picturesque Cornwall to rent a battered seaside cottage. For herself and for the children. And to discover if this time she can fill an empty house with love. Pressestimmen Her genius is to create characters you really care for Daily Express Pilcher's storytelling skills are serene and beguiling The Times Whether she is being poignant, wry or perceptive, Rosamunde Pilcher is always gentle Woman's Realm It is never too soon to discover Rosamunde Pilcher Good Housekeeping A beautiful, haunting story ... that will tug at your heartstrings Prima Kurzbeschreibung Virginia Keile has a secret dream.
